A screenshot of a desktop registration form. On the left, there is a sidebar with 'Sections' including 'Personal Information', 'Right to Work Check', and 'Additional Information'. The main area shows the 'Personal Information' section with fields for Title, Name, Email, Phone Number, and Address, each with a checkmark indicating completion. A 'Save' button is at the bottom.

Choose from our Pre-built Templates or Customise your E-sign Forms

The image shows a hand holding a smartphone displaying a registration form. The phone screen shows a progress bar and two sections: 'Registration Form' (19th September, 0% Complete) and 'Right to Work Check' (19th September, 0% Complete). A larger, semi-transparent overlay of the form is shown to the right, with a '100% Complete' progress bar and a 'Register' button. The overlay form includes fields for Name (Sophia Ryan), Email (S*****@mail.com), and a signature field with a handwritten signature.

Online Reference Checks

Eliminate the hassle of chasing referees and compiling references. Get verified references instantly, with just one click.

Features Include:

- Obtaining References Quickly & Easily
- All Secure in your System
- Create Easy Templates for your Industry
- More Cost-Effective than Traditional Reference Checks

Flexibility for your Recruitment Agency

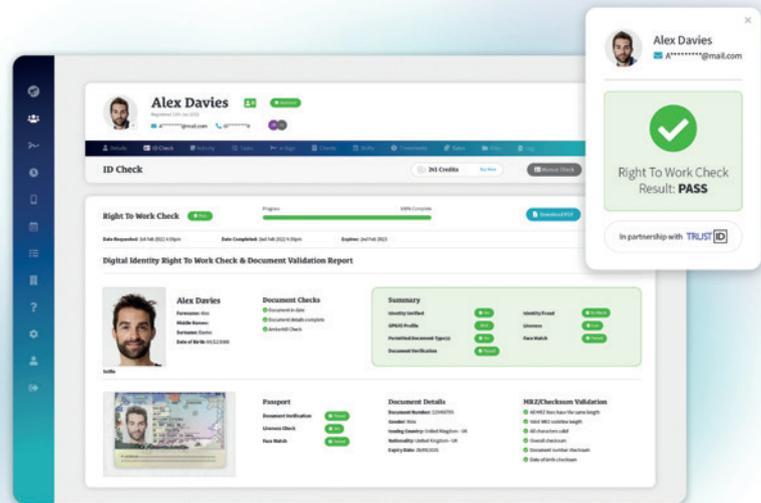

Right To Work Verification

We have partnered with the UK's top certified Identity Service Provider (IDSP), TrustID to offer simple, cost-effective digital Right to Work checks that make compliance effortless.

Features Include:

- Secure ID Checks at the Click of a Button
- Verify Candidates Identities in Seconds
- Instantly Validate Share Codes
- Seamlessly Integrate with Existing Products
- ID Checks from Anywhere

A step-by-step process for verifying a UK passport, Irish passport, or ID card

- 1 The candidate receives an invitation to complete a Right to Work check
- 2 They login to your bespoke app and securely start their Right to Work check
- 3 They then select if they have a UK passport or Irish passport or ID card
- 4 They then upload a selfie and photo of their identity document
- 5 This is then processed against databases
- 6 The full report appears in the candidate profile for you to review and approve

CRM

In one easy-to-use system, manage candidates, save time, and access your secured information on any device, anywhere. Link seamlessly with your existing recruitment process and integrate with our e-Sign and Online Timesheets technology.

Features Include:

- Versatile Recruiter Dashboard
- Central Candidate Profile
- Candidate Activity & Tasks
- Candidate Right to Work Approval
- Links to e-Registration & Timesheets
- Upload, Edit, and Receive Files
- Read Receipt Email Status
- Manage Holidays & Absences

Need Candidates with the Right Site History?

Rocket AI finds and lists them instantly.

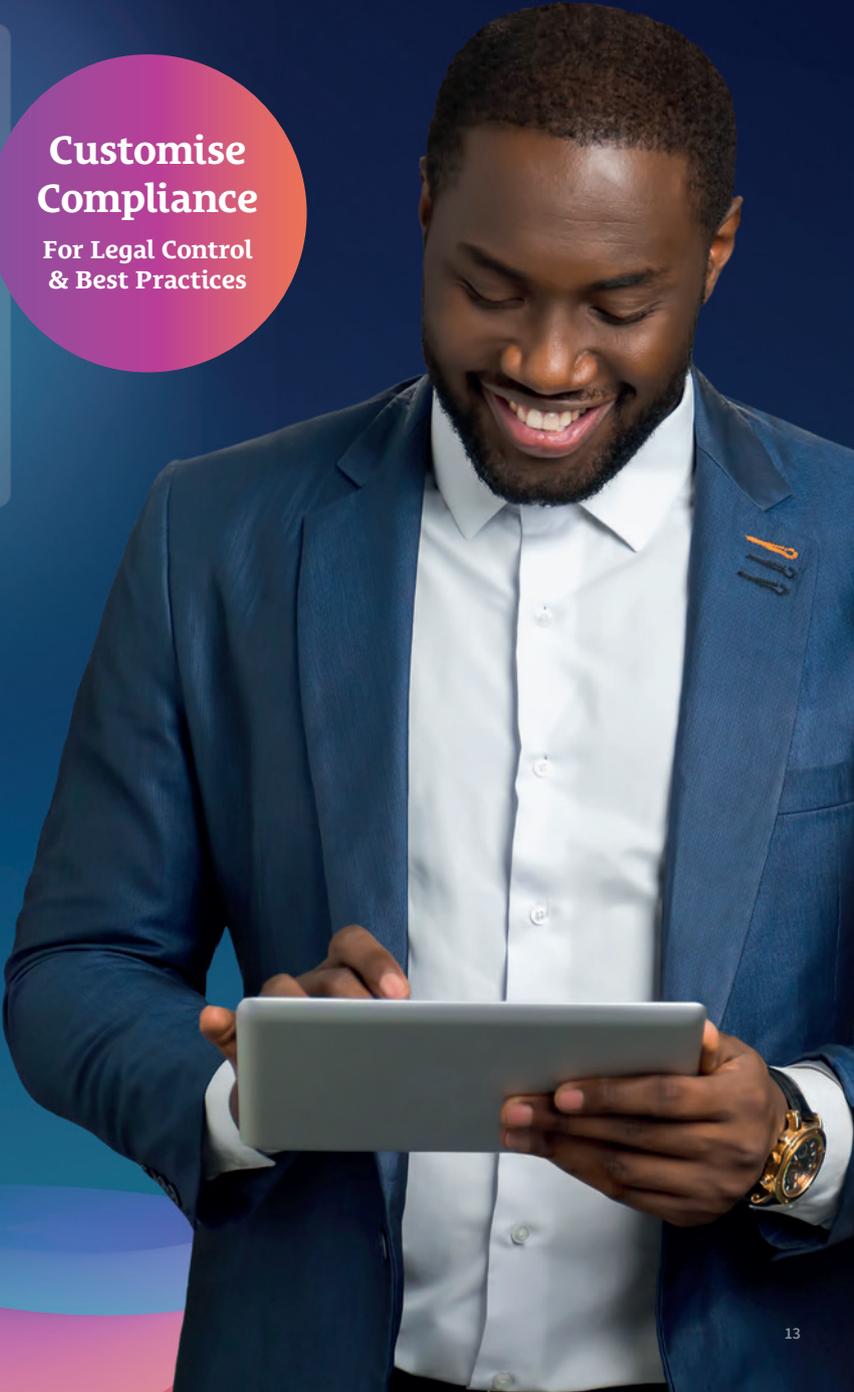

The image shows a screenshot of a CRM 'Candidates' dashboard. The dashboard title is 'Candidates' with a subtitle 'This is a list of all your candidates who have an account within this system.' There is a search bar and a filter button. Below is a table with columns: Name, Activity, Date Joined, Type, Job Title, Branches, Departments, Consultants, and e-Sign Progress. The table lists several candidates with their respective details. Overlaid on the dashboard are three callout boxes: 'e-Sign' (top right), 'Timesheets' (middle right), and 'Shift Manager' (bottom center). The 'e-Sign' box shows a signature and the text 'e-Sign'. The 'Timesheets' box shows a clock icon and the text 'Timesheets'. The 'Shift Manager' box shows a calendar icon and the text 'Shift Manager'.
