## NIGHT AT THE MOVIES

### An invitation for the winner and 6 guests to attend a private screening of 'Framing John DeLorean' at a central London venue, with drinks reception.

Genius. Failure. Saviour. Liar. A story so shocking it reads like the plot of a Hollywood movie. John DeLorean was a maverick who defied the industry to create the DeLorean Motor Company, and bring to life his vision of a futuristic car, which was plagued with disaster from the start. In an effort to keep his business and jet setting lifestyle afloat, he became embroiled in an FBI sting operation and appeared to be caught red handed, exchanging millions for the transportation of cocaine. This is the true story of greed and endless ambition behind the car that would become one of the biggest cult items of the 1980s, starring Alec Baldwin as John DeLorean, alongside Morena Baccarin and Josh Charles in a fascinating and unique documentary/feature hybrid.

FRAMING JOHN DELOREAN is a 15 certificate and is released on digital download 29 July 2019.

#### Terms and conditions:

- Screening to take place after 29 August 2019, actual date to be decided once winner selected. Winner plus guests must be at the venue at 6pm for a 6.30pm start. Refreshments will be provided from 6pm.
