Payment Process

The invoice/payment is sent based on a full calendar month of service from the time the device is moved under the account. So you will receive your first invoice/payment the following month.

The invoice is sent every 14th of the Month and payment is received the following day on the 15th.

Example:

10th June machine turned on (for the first time)

JUNE:	JULY:	AUGUST:

15th August would be the payout date.
