

WHO ARE WE?

Operating for over 30 years, Willbox is a family-owned shipping container supplier. With 24 plus depots across the UK, Willbox sells, hires, and has recently expanded to provide a bespoke conversions service, which can transform any type of large and small-scale modular building, as well as providing self-storage site set-up consultancy.

SHIPPING CONTAINERS

- 📦 A complete range of containerised products, available in sizes from 5' to 45'.
- 📦 New and near new containers available, and used from our ex-rental fleet and ex-shipping line stock.
- 📦 Fully customisable and bespoke options available which shows off your brand logos and colours.

SITE ACCOMMODATION & WELFARE

- 📦 Cabins for hire, ideal for site welfare, commonly seen across UK construction sites.
- 📦 Nationwide, flexible short and long-term hire options.
- 📦 Nationwide delivery using in-house fleet of crane vehicles.

SELF STORAGE SITE SET UP

- 📦 Consulting for self-storage startups, drawing on our experience with successful sites nationwide.
- 📦 Complete service including setup, land surveys, identifying container needs, and CCTV and lighting advice.
- 📦 Comprehensive competitor analysis and market research to maximise opportunity.

CONTAINER CONVERSIONS

📦 In-house conversion specialists using CAD for innovative container conversions which allows seamless transformation of containers into a variety of structures, from horse boxes and gyms to cafes and office blocks.

📦 Repainting, refitting, and a range of custom units are available including toppers and platform staircase.

📦 Fast turnaround on modification work and smaller conversions, such as containerised offices and canteens.

📦 All plumbing and electrical work completed by in-house Fabrication Team, providing a single point of contact throughout the project.

**WE SELL.
WE HIRE.
