Protect Your Caravan & Holiday Home With Our Eco-Friendly CaraGuard Winteriser!

The Safer, Greener Alternative To Car Antifreeze

CaraGuard Winteriser is a 100% pure, non-toxic antifreeze developed specifically to protect your toilets and sink wastes from cracking during the winter months. It's the perfect solution for static caravans, lodges, and holiday homes, offering superior protection without harming the environment.

Available in 1, 5, 25 & 1000 Litres
