LeisureBench

PRODUCT GUIDE
2025

Bringing Outdoor Space To Life

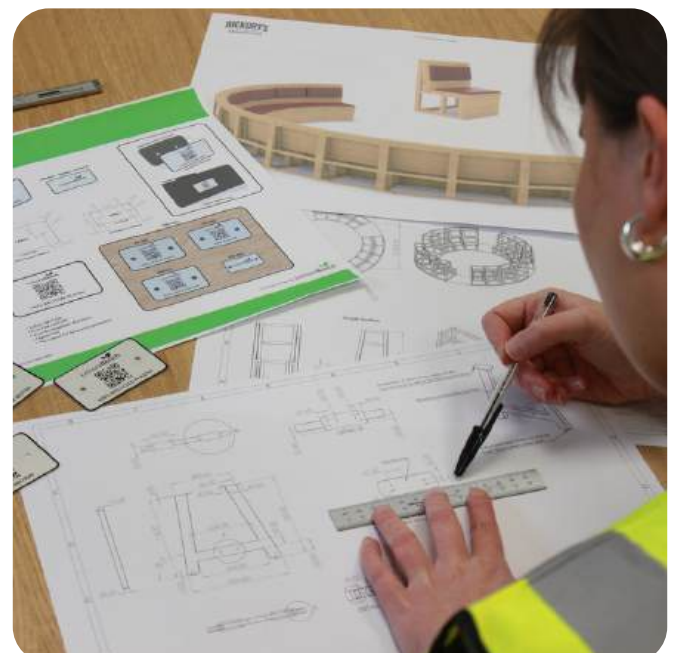

Situated in the heart of the country and able to deliver nationwide. Large stocks maintained within over 100,000 square feet of warehousing, ensuring on time delivery.

State of the art facilities and a highly experienced team means we can help bring your outdoor space to life and put your brand and messaging front & center with our bespoke services.

We provide a comprehensive, stress-free service from design and manufacture, to installation and 5-star aftercare.

Welcome

Since 2001, LeisureBench has been a trusted provider for businesses across diverse sectors to design, manufacture and install high-quality outdoor furniture that inspires comfortable and sustainable spaces.

From bespoke pieces, to ready-to-go options, we manage every detail from start to finish, making the whole process smooth and stress-free for you and your team.

Achieve Your Sustainability Goals In Style

Sustainability is a core pillar of LeisureBench's business. We believe that great furniture should not only look good but also do good for the planet. We offer a range of eco-friendly products made from recycled plastic, reducing waste and supporting a circular economy. By choosing LeisureBench, you're not only enhancing your outdoor spaces but also making a positive impact on the environment.

Our Promise To You

We promise to always provide a great service. We want you to have the peace of mind of knowing we will be here for you, whenever you need us and for whatever you might need us for. **We will not let you down, and that is a promise.**

Sometimes things happen of course, but when they do, it is our promise to you that we will go that extra mile to make sure your experience with us is a smooth, helpful and enjoyable one. Every single one of our customers is important to us and we will do more, and make a greater effort, than any other company out there. **That is our promise to you.**

Commercial Services – Awnings

LeisureBench is a professional supplier and installer of commercial awnings to the leisure industry. LeisureBench has worked closely with several major pub operators for over 10 years.

Commercial awning and fitting service available on request.

Please contact our experienced team for more information.

Commercial Services – Parasols

Our standard commercial parasol comes in a variety of colours, available on request. Lighting and heating optional.

Please contact our team for more information.

The frame is made from powder coated aluminium with an easy opening mechanism.

The canopy is 210 gram polyester and is treated to repel water.

Valances are available to order.

Screen Printing:

For orders less than 20, weather resilient screen printing is available on the valance only. For orders of 20+ parasols (depending on design and complexity) screen printing is available on panels and valance. Screen printing is fade resistant and will stay looking good for years.

Digital Printing:

For orders less than 20, digital printing on the panels and valance is available. Digital printing is more cost-effective, but not as weather resilient as screen printing.

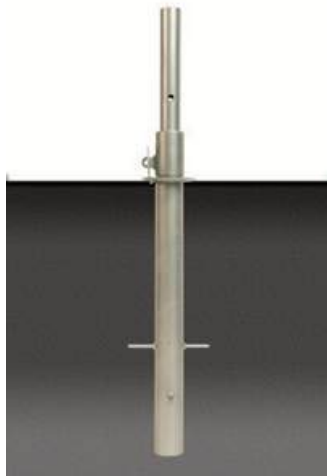

Commercial Services – Parasols

Our standard large commercial parasols are excellent value. They come in three standard sizes with lots of options including printing.

Contact us for more information and our friendly team will assist.

Choice of underground fitting or slab base.
*Slabs optional.

Easy opening and closing mechanism is simple to use.

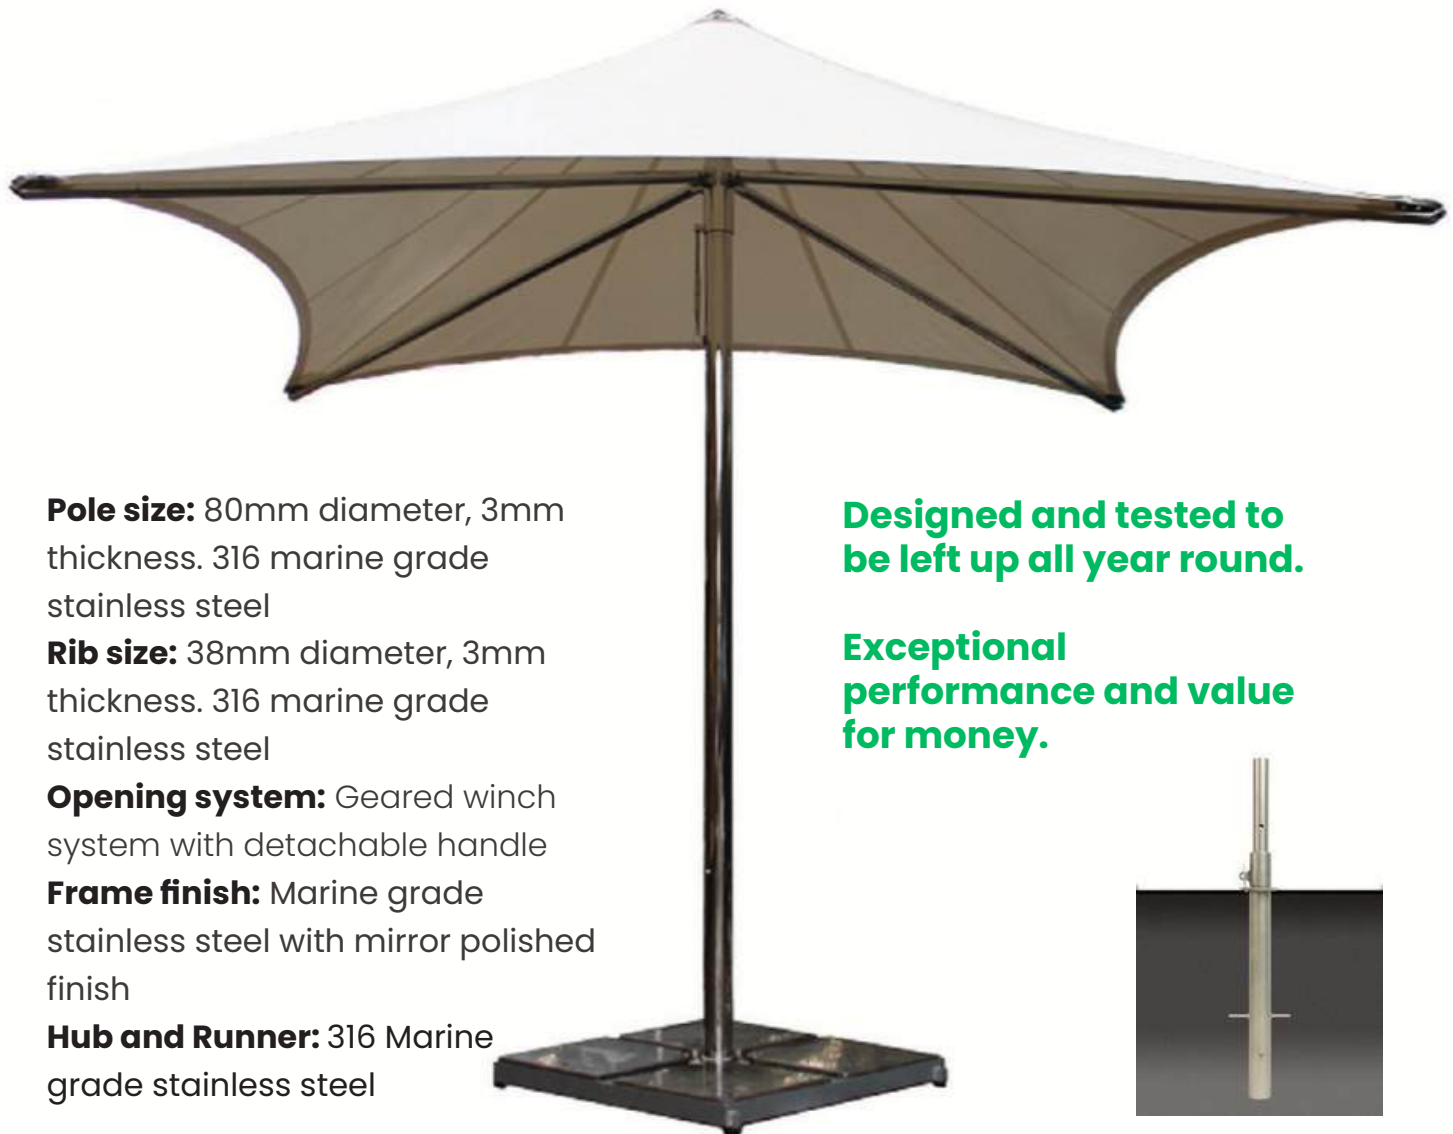

Parasols should not be left open in very windy conditions.

Commercial Services – Parasols

The Hurricane Extreme is the ultimate parasol. Designed to withstand severe weather and even salt spray. The parasol is available in several sizes with many options including 40 colours, print, heating, lighting and ground fixing.

Please contact us for more information and quotes.

Pole size: 80mm diameter, 3mm thickness. 316 marine grade stainless steel

Rib size: 38mm diameter, 3mm thickness. 316 marine grade stainless steel

Opening system: Geared winch system with detachable handle

Frame finish: Marine grade stainless steel with mirror polished finish

Hub and Runner: 316 Marine grade stainless steel

Designed and tested to be left up all year round.

Exceptional performance and value for money.

Ground Fixing: Slab base or inground available

Commercial Services – Barrier Systems

This PVC barrier system is the quality heavy duty solution, ideal for external use. They are easy to clean, long lasting and can be digitally printed to your requirements.

The Prestige stainless steel posts are a weighty 18kg to withstand windy conditions. Available in three sizes.

Commercial Services – Plaques, Engraving & Table Discs

Many of our products can be engraved or incorporate a plaque. The number of characters is only limited by the type of product chosen or size of plaque. There is a fixed one-off engraving fee, regardless of characters. Usually your order will be ready within 10 working days.

CUSTOMISE

Let us take care of the customisation for you and have your item delivered ready to use, with helpful plaques, engraving or table discs, providing customers with handy information or your own branding or message.

REMEMBER

We supply many memorial benches to cemeteries, golf clubs, parks and bowling greens.

COMMEMORATE

Whether an important date, milestone or historic event, commemorate with an engraved bench or plaque. Plaques can be purchased separately and are available in many sizes.

CELEBRATE

Celebratory events such as weddings, births or any joyous occasion can be marked by a personalised engraved bench.

Special Projects

Our in-house design team can custom build and install bespoke products to your specification, from both timber and recycled plastic.

From single items to complete garden projects, let us take the stress away and manage your project from design through to installation.

Please call our friendly team for more information and a free consultation.

- Indoor & Outdoor Furniture
- Planters & Raised Beds
- Gates & Fencing
- Child's Play
- Complete Projects
- Bins & Accessories
- Lighting & Parking Posts
- Ad-hoc requests are welcomed!

Special Projects – Bespoke Seating

Specialist bespoke seating made to order by our expert craftsmen.

Some examples of recent work below:

Cable reel dining sets

Bespoke static swing seating

Bespoke seating area – the customer contacted and asked how best to utilise their space!

Special Projects – Bespoke Seating

Cavello and bespoke seating, available with optional extras to customise, including planters, storage, cushions and more.

Special Projects – Barrel Tables

LeisureBench produces furniture by repurposing barrels. From planters to tables, our customer love the rustic look barrels give them and being able to put an old barrel to good use.

Pick your desired height, perfect top and any other customisations, then let us do the rest!

Top tip: Poseur height is very popular; the barrel is a perfect place for customers to place their drink or prop themselves up!

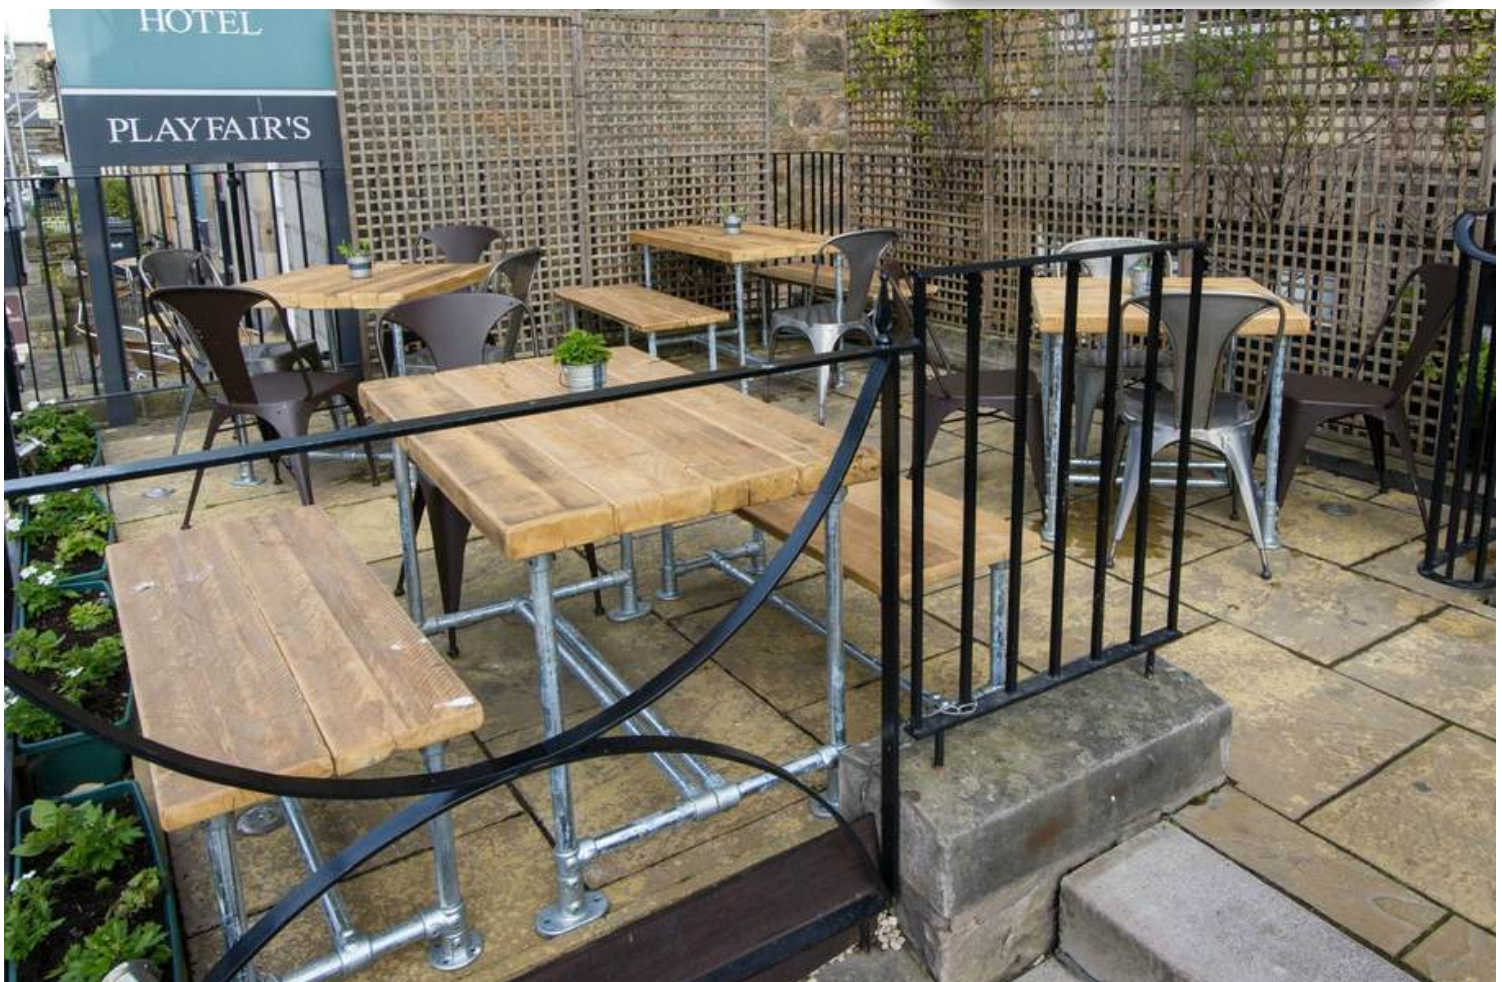

Special Projects – Scaffolding Furniture

LeisureBench produces scaffolding and industrial furniture at our state-of-the-art workshop.

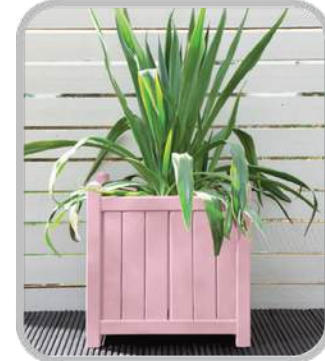

Our inhouse furniture designer produces CAD drawings to customer specifications before going to production.

Please contact our team for a free consultation.

Special Projects – Bespoke Painting

More and more customers wish to differentiate their offering to the public. We offer a bespoke painting service for any of our wooden products using water-based coloured treatments at our state-of-the-art spraying facility.

Special Projects – Bespoke Planters, Barriers and Windbreakers

Our bespoke planters are often used as barriers/windbreaks and are made to your specification. Lockable casters enable the planters to be wheeled in and out where required. The examples shown have faux plants which are UV resistant for outdoor use, and glued within gravel to add a stylish touch.

Special Projects – Bespoke Planters, Barriers and Windbreakers

Windbreak planter shown with extendable spring loaded glass panel for added wind protection.

Add lockable castors to easily move & secure in place!

Bespoke planters and windbreaks

- Made to measure
- We supply faux plants
- Barrel planters
- Windbreak branding service

Barrel planters can be made to your specification.

Premium Teak Collection

KNOW YOUR TEAK GRADES: The main difference between grades is the quality and appearance of the wood. Grade A teak has a uniform appearance and a high shine, while Grade C teak has knots and an uneven grain. If you're looking for the highest quality teak for outdoor furniture, Grade A teak is the best option.

Made from premium quality grade A teak. Synonymous with longevity, it is a dense close-grained hardwood, high in natural oil content. These qualities enable the wood to withstand exposure to extreme weather conditions. All joints are mortise and tenon secured with dowels. Left untreated by oil, the teak will turn silver-grey over time.

Premium Teak Collection – Warwick

With thousands sold to the leisure industry, we highly recommend our Grade A teak Warwick collection, proven to last over 20 years.

1 YEAR
GUARANTEE

Table Top Collection – Eden

A **recycled plastic** tabletop manufactured by LeisureBench and made to last.

Our recycled plastic range of table tops offers durability and longevity, with a sustainable twist.

Manufactured in our state-of-the-art facility, this table top is constructed from recycled plastic timber that is both 100% waterproof and non-porous. Lighter than timber, but twice as strong, this is a long-lasting alternative to other materials of table top that are on the market.

Table Top Collection – Eden

Recycled plastic table tops. Made to order. Suitable for outdoor use.

Parking Post Black

Code: RP-PARK001

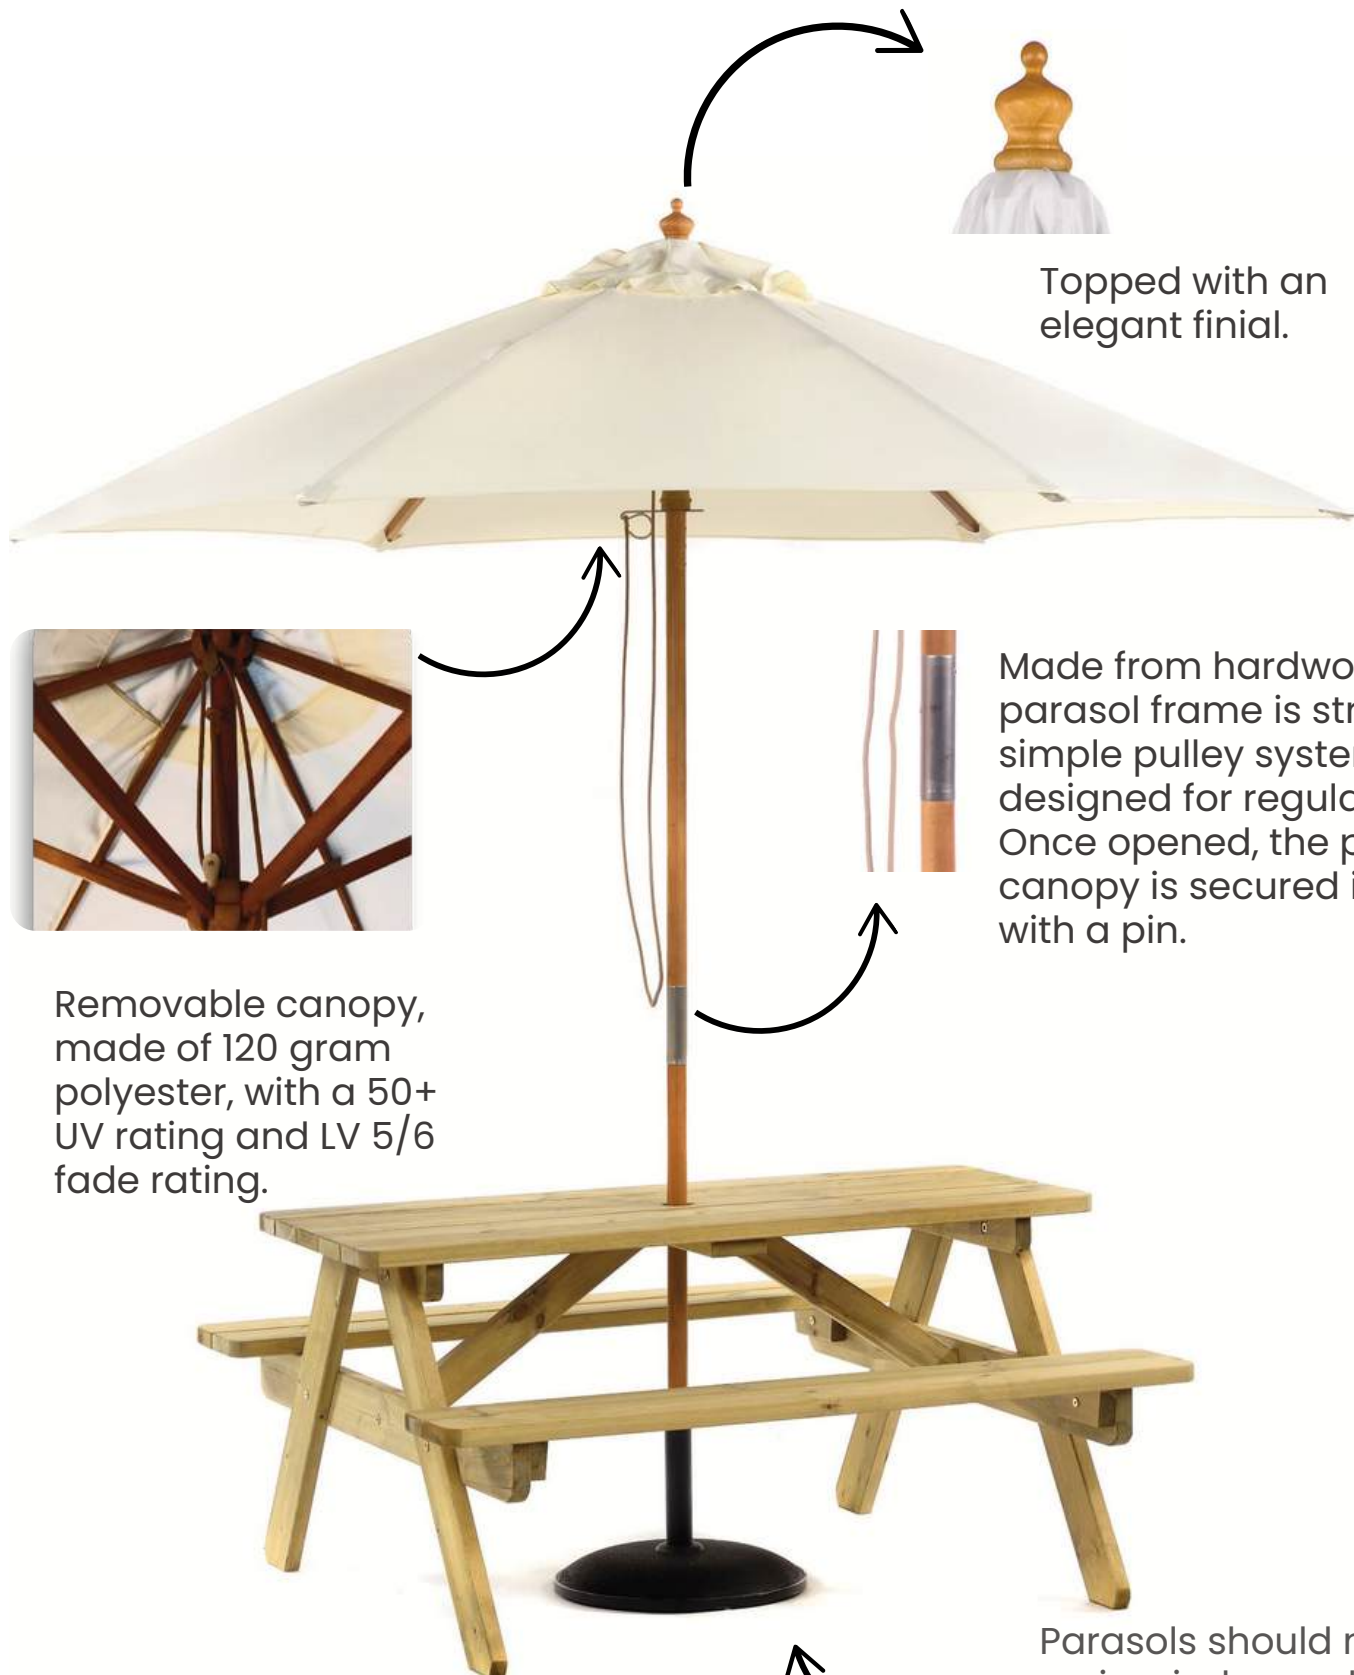

Parasol Collection

Parasol Collection

Parasol canopies available in a variety of colours and can be **digitally printed**, on any or all of the 6 panels.

Topped with an elegant finial.

Made from hardwood, the parasol frame is strong. The simple pulley system is designed for regular use. Once opened, the parasol canopy is secured in place with a pin.

Removable canopy, made of 120 gram polyester, with a 50+ UV rating and LV 5/6 fade rating.

Parasols should not be left up in windy conditions and should be securely fixed to the base.

Parasol Collection – Bases

Our 15kg bases are designed to be used under all of our tables (excluding our round picnic tables). Fits parasol poles up to 38mm diameter.

1 YEAR
GUARANTEE

Ideal for our 2.5m parasol collection.

Parasol Base – Black

DIA:40 H:30 15kg
Code: PA-B2

Paralock

Code: PA-B4

The Paralock fixing cup is for round picnic tables with cross under frames. Four screws secure the Paralock to the under frame and the parasol is locked in place using the hand screw.

Accessories – Shelters

Powder coated aluminium frame with polycarbonate roof. Dark grey. Delivery and assembly charges apply. Planning permission should not be required as under 2.4m high, but we recommend seeking advice from your local council. Requires a hard and level ground surface.

Generic dimension:
Width: 3590mm Eaves
Height: 2000mm
Apex Height: 2420mm

Many more stock and bespoke options available! Please contact our friendly team to discuss your shelter requirements!

Code: SE-3M

4.5m Cable

Code: SE-5M

7m Cable

Code: SE-7M

Padlock

Code: SE-P

Bespoke bin designs also available to meet your needs!

Ground Fixing Kits

The soft ground fixing kits are specially designed so they cannot be pulled out of the ground. Using the reusable tool an inner bar curls underground fixing it permanently in place. The tool is reusable so for multiple fixings select the no-tool kit option. Both soft and hard ground kits come with antitheft screws which cannot be undone.

Hard Ground Fixing Kit

For fixing onto concrete, embedded slabs or thick tarmac
Code: EA103

Soft Ground Fixing Kit

(reusable tool included)
Code: EA102

Soft Ground Fixing Kit

(no tool)
Code: EA101
