LEISURE HOMES

PASSION — DESIGN — EXCELLENCE

Where quality and luxury is more than skin deep

Image courtesy of Ketch Caravan Park

Build Quality

Built in-house to exacting standards by skilled craftsmen and women. Quality is built into every stage starting with a fully galvanised chassis which is standard on every model.

Innovative Design

A reputation for innovative design by our experienced, in-house design team.

Customer Care

Strong aftersales with a commitment to timely turnaround of claims.

Warranty

Peace of mind with our comprehensive warranty scheme*.

Energy Efficiency

Built with energy efficiency in mind to keep your bills low. Four ranges are available as standard to the BS 3632 residential specification, which offers even greater energy efficiency. In addition, all of our models can be upgraded to meet BS 3632 specification.

*Further information can be found on page 39.

A passion for design

Regal Leisure Homes is proud to present the new 2027 range of premium holiday homes.

The design team have worked tirelessly to ensure each model encompasses its own unique theme and styling, and we're sure you're going to love the new designs! From the luxurious BS 3632 Carrington

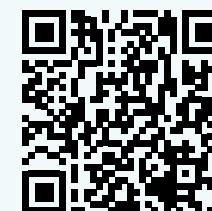

Lodge twin model to the affordable Henley in its beautiful pastel colour scheme, there's bound to be a model that suits your taste and budget.

New for 2027: The BS 3632 Carrington Lodge twin, and the BS 3632 Grosvenor. **Refreshed for 2027:** The Harlington Lodge, Autograph and Hemsworth ranges.

Features as standard...

- Double glazing
- Central heating
- USB charging points
- Freestanding sofas (except Henley)
- Super king-size or king-size beds in master bedrooms (except Retreat and Henley 28ft)
- Smoke alarms, carbon monoxide detectors, Crib 5 mattresses (EN 1647 holiday homes) and flame-retardant furnishings
- Fully galvanised chassis engineered to withstand the elements.

Warranty

Our Warranty Scheme, alongside a commitment to uncompromising quality, detailed quality checks and focused customer care, means we can offer peace of mind with excellent cover and protection.

1-year warranty: Comprehensive warranty for parts and labour from the date you take ownership (subject to T&C's)

2-year warranty: Boiler (on EN 1647 models), fridge/freezer, microwave, cooker hood, dishwasher and shower cubicle

3-year warranty: Internal doors/handles, kitchen sink, taps/sanitaryware, gutters/downpipes and radiators

5-year warranty: Morco boiler (on BS 3632 models) and windows and doors (glass and frames)

6-year structural warranty: Roof sheets, walls, ceilings, floors

10-year warranty: Fully galvanised chassis

Our warranty covers issues arising from faults and defects during manufacture and excludes any damage caused by transport, siting, commissioning, general wear and tear or misuse. Full details of this warranty can be obtained by contacting our customer service team.

New Home Owner Registration

The structural and 10-year chassis warranty on a Regal Leisure Homes caravan can be transferred to a new owner if the caravan is sold within the first six years, from the date of purchase. The remaining unexpired warranty period will be eligible for transfer upon the condition that the caravan remains on the same caravan park on which it was sold to the initial owner.

Safety

To ensure your safety, all our models are built in accordance with British and European standards BS 3632 and EN 1647 and are certified by the National Caravan Council (NCC).

Hard-wired smoke, heat and Carbon Monoxide (CO) detectors are fitted as standard. All mattresses are Crib 5 as standard on caravan holiday homes built to EN 1647 standards.

Sustainable options

As part of Omar Group, a leader and innovator in green technologies, we can help you to significantly reduce your carbon footprint and running costs with our Solar Powered Leisure Homes.

With UK Government plans to phase out gas boilers, we're able and ready to offer a Complete Solar Powered Solution - our thermally efficient holiday homes combined with the latest technology, also mean we can help to minimise the costs associated with the move away from gas. And, it may even be possible for your leisure home to be powered for free using solar power and battery storage!

Here's a taste of what we offer:

- Solar power and battery storage
- All electric holiday homes
- Car charging points
- Electricity distribution technology – allowing you to use electricity when and where it's needed

Solar Power stores energy collected during the day, for use in the evenings when you return to your holiday home.
