

A NEW ON-SITE GUEST ACTIVITY. ZERO BUILD. NEW REVENUE.

A portable escape room experience delivered in a branded cool box.

**Each clue solved unlocks a prop that holds drinks and/or snacks,
bringing a new twist on 'escape rooms'.**

Guests can play it in their lodge, caravan or outside.

No build required. No extra staff needed.

Perfect for: rainy days, evening entertainment, creating those social media moments

How it works across your sites

- 1) You rent or buy the boxes
- 2) We train your team in 30mins
- 3) Your guests book with your sites directly
- 4) You choose the drinks and snacks for the boxes
- 5) You hire it out to your guests and keep 100% of the revenue
- 6) We provide support + new game releases

It fits in a car. Stores in a cupboard. Works in any accommodation or setting.

Guest Pricing & Margin

You set the price for your customers

We suggest starting approx. **£60** per game (goodies dependant)

Why use it?

New revenue stream – You keep 100% of revenue

Solves a real problem for guests – How do we fill X time?

Low ops – No build. No additional staff

Permanent license – Pay once, run it forever

Point of Difference: Something new not seen elsewhere

Shareable moments: Guests will post on social media as they play

Flexible: Rent to test. Buy to scale

Next Steps

30-min call to discuss more details and pilot options etc

Let's give your guests those 5* shareable experiences
