MASCOTS inc.

Character Wonderland

Mascots-Inc creates world-class character mascots for theme parks, entertainment brands, sports teams, TV, film, and animation. In a digital world, audiences expect characters to look perfect on screen—our team ensures your mascot matches flawlessly, preserving the magic of your brand.

We go beyond mascots, pushing boundaries in animatronics, AI, virtual and augmented reality, and interactive experiences that captivate audiences globally. Our performance division, Character Wonderland, brings characters to life across the UK for global brands and IP owners, with royalties paid back to IP holder.

With unmatched creativity, craftsmanship, and customer service, Mascots-Inc makes audiences say "WOW" and helps brands thrive in an ever-evolving digital world.
