

SHELL SCHEME SOCKET PACKAGE POSITION FORM

As part of your shell scheme package you receive a 500w socket outlet, to enable us to position this in the most desirable place on your stand please take the time to fill in the below grid showing your preferred location along with stand details and send it back into us here at Creative Live.

IMPORTANT- Please note that if we do not receive a return before the **6th November 2024** showing the requested information, the socket will be placed in the back corner of the stand or centrally on the back wall depending on the shell scheme layout. Moving the socket on site will be chargeable.
