# Welcome to the online marketplace for storage

We exist to make people's lives easier. Storage partners use the Explorage platform to gain more visibility and attract a wider customer demographic.

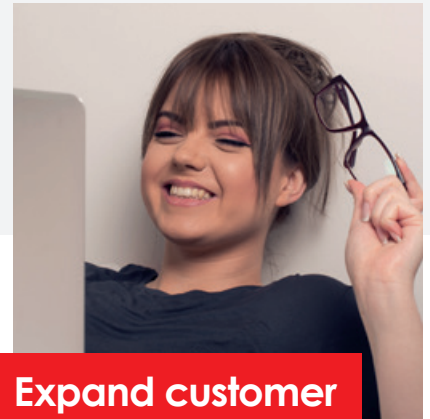

## Instant online reservations

Customers can reserve with confidence instantly, securing you new business 24/7

## Increase unit occupancy

If you've got vacant space we can help you fill it

## Expand customer catchment

Expand your customer demographic; our platform helps you reach new audiences

## 24/7 operator support

Speak to real people anytime via phone or live chat; you and your customers can get the answers you need when convenient.

## Online marketing

Saving you time and money; optimise your digital marketing spend, gaining greater online visibility and accessibility

## List for free

It costs nothing to list your facility. You only pay when customers move in!

# Partner packages

## Complete flexibility with our partner packages

Select the package which suits you and switch between them as your needs change.

Standard package fees are the cost of two weeks standard rent for the space booked.

Premium fees are 5% of the monthly standard rent for the space booked, repeating each month for the duration of the lease.

Premium + fees = premium + a bespoke quoted monthly fee for other management services you may require.

When you register, pick the package which suits you or talk to us about getting started.

# Who are we?

“Serving customers as people first is at the heart of everything we do. For storage operators this means we are constantly listening and learning about what matters to them and their business to deliver a service which is of real value.”

**Anna Roberts** MRICS, Founder

Explorage is based in Anglesey, North Wales. The platform developed from storage operator feedback. We have a star team of people that are great at what they do. With a regional roll-out approach, we aim to help consumers understand the benefits of storage and easily access the right option for them.

With our excellent friendly service for operators and their customers the Explorage approach is to make life easier for everyone - it's that simple.

## How to register

The quickest way to get started is to register on [explorage.com](https://explorage.com). From there you can create an “operator” profile and build your listing from your dashboard.

Any questions or if you want further information or help just get in touch. Our team are available and look forward to partnering with you.
