MERGERS & ACQUISITIONS

Purchasing a business is a major decision that requires careful planning, legal knowledge, and expert guidance. We specialise in **supporting buyers through every stage** of the acquisition process to ensure a smooth and successful transaction. Whether you're just starting to explore options or are in the final stages of the deal, our experienced team are here to guide you through it all.

COMPANY SALES

Selling a business is often the culmination of years of hard work, and we appreciate that these opportunities represent such a significant step. We offer expert **legal guidance at every stage**, from initial planning and due diligence to negotiation and completion. Our team advises on deal structures, drafts and reviews of the transaction documents, whilst managing all legal aspects of the sale to ensure a smooth transaction.

We work closely with you to protect your interests, minimise risk and achieve the best possible outcome, providing clear, practical advice at every stage of the process.

BUSINESS FORMATION & SHAREHOLDER AGREEMENTS

Starting a business is both exciting and daunting, and we know first-hand the mix of ambition, risk, and detail that goes into getting it right from day one. We provide **comprehensive legal support for all aspects of business formation**, from advising on the most suitable structure, whether limited company, partnership, or LLP, to drafting bespoke constitutional documents and shareholder agreements. Our team can guide you through company registrations and compliance matters, ensuring a smooth and confident start for your new venture.

We work closely with founders to lay strong legal foundations that support long-term growth and success.

A comprehensive **shareholder agreement** will create a balanced relationship between shareholders. The agreement will provide clarity and protection for shareholders, the way the company may change in the future and the strategic decisions which are likely to be needed.

RESTRUCTURING

We understand that change within a business, planned or unexpected, can feel overwhelming, with big decisions that affect people as much as processes. Our team **delivers strategic legal advice** to support businesses through all forms of restructuring, whether driven by growth, operational changes, or financial challenges.

We advise on reorganisations, mergers, demergers, and changes to group structures, ensuring compliance with all legal and regulatory requirements. From drafting and negotiating key documents to managing stakeholder communications, we help clients navigate complex transitions smoothly and with confidence, safeguarding business continuity and future success.

COMMERCIAL CONTACTS & DATA PROTECTION

We're here to provide clear, strategic legal support that every business needs to move forward with confidence. Our teams expertise spans the full spectrum - from drafting and negotiating robust contracts to advising on data protection compliance and tailored terms of business.

We can **guide you through complex regulations** while ensuring your arrangements are not only legally sound but commercially effective. Whether you're launching, scaling, or entering key partnerships, we combine legal precision with practical insight to protect your interests and enable growth.

★★★★★

FINANCE AGREEMENTS

Accessing finance is a pivotal moment for any business and is more than just the paperwork. It is about enabling plans, managing risks, and securing the future. **We advise both lenders and borrowers on the full range of finance arrangements**, from straightforward bilateral loans to more complex facilities.

Our team drafts and negotiates loan agreements, security documents and intercreditor arrangements, ensuring clarity, compliance, and protection of your commercial interests. Whether funding growth, managing working capital, or refinancing existing debt, we provide practical, strategic legal support tailored to your business needs.

SHARE BUYBACKS

Share Buybacks provide companies with a flexible mechanism to return surplus capital to shareholders, manage share capital structure, or facilitate exit agreements.

By leveraging our expertise, we can **help you save time, money and achieve your business objectives**. Whether you're a shareholder considering selling your shares or a company looking to repurchase shares, our team can assist you with preparing all necessary documentation.

“ ★★★★★ ”

Professional, efficient, and went above and beyond to ensure the legals were completed in time. His response times were incredible and he understood what we needed.

EMPLOYMENT

Employment law is constantly evolving, and **we can help you stay ahead** by turning legal requirements into practical solutions for your business. We provide clear, practical advice on all aspects of employment law, supporting businesses with contracts of employment, policies and procedures, and day-to-day HR matters.

Our team advises on recruitment, disciplinary and grievance issues, restructures, redundancies, and settlement agreements, helping clients manage risk and maintain positive workplace relations. We can also represent you in employment disputes and tribunal proceedings, ensuring robust protection for your business at every stage.

IMMIGRATION

Navigating UK immigration can feel overwhelming, but you don't have to do it alone. Whether you're a business recruiting international talent, a professional relocating or you want to expand or start your business in the UK, we're here to guide you every step of the way.

We offer **clear, practical advice tailored to your needs**, covering sponsor licences, workforce management, transactional implications, compliance and Home Office audits. We work with you on all types of work and family visas, finding the most appropriate route for your individual journey. Our team understands that **immigration isn't just about paperwork**; it's about people. That's why we take the time to understand your story, simplify the process, and help you build a strong application that reflects your unique circumstances.
