

“Without a doubt, the most beautiful
toilets out there, they were a hit.
They look lovely but are also practical
and filled with eco-friendly products.”

— Charlotte MacLeod

Nomadic Washrooms

We specialise in the hire of luxury shepherd's hut toilet and showers for that extra memorable touch at your wedding, event or festival.

Our washrooms are real head turners and are often quoted as being the “best thing” about the event by our client's guests. With yards currently in Mid Wales, Oxfordshire, Yorkshire, East Sussex, Somerset and Essex our shepherd's hut washrooms are available for hire throughout the UK and are a must at any event. If you really want to get your guests talking, these are the washrooms for you!

Kate and Stu Richards' Story

We were planning our wedding and realised that the only thing missing for our perfect rustic travel theme was a quirky eye-catching luxury toilet to hire.

Unfortunately, we couldn't find anything even remotely close to fit our style. So instead of settling for a box trailer toilet, you know the green and white boxes we're on about, we decided to dress up the old stable toilets at our venue. When it came to our wedding, everyone loved its unique quirkiness. That was when the idea was born!

Nomadic Washrooms launched in 2019, and we are now the biggest shepherd's hut washroom provider in the UK with over 40 trailers and counting. Our mission is to continue to be the market leader in shepherds hut washroom hire, whilst striving to provide a consistent 5-star service to our clients - with sustainability and charity at the heart of what we do.

Shepherd's Huts

All are movable and fully equipped, each beautifully styled in our signature luxury, rustic, eco decor'.

The timber lined interior compliments the stylish fittings including copper taps, enamel bucket sinks, Victorian ceramic sanitary ware and pretty Mason jar lights.

The gentlemen's sides have quirky milk churn or feed trough urinals. The unique corrugated tin shower cubicles have copper shower hose and rainwater shower head fittings.

The exterior of these beautiful, hand-crafted shepherd hut washrooms co-ordinates with the interior, with a curved corrugated finish and a

hidden service area (revealed behind the log store). As standard, all our luxury trailers are supplied with soft floral decoration inside and out.

To enhance the cosy feel all have plenty of hot water with smart infrared sensors on the taps.

We provide eco-friendly Nomadic Washrooms (in conjunction with Henley Naturals) hand wash, body wash and shampoo. This range features high-quality, sustainably sourced essential oils, offering natural aromatherapy benefits. Gentle on the skin and kind to the environment, with no parabens, sulphates, or silicones—just beautifully clean, uplifting fragrance.

We use Naked Paper bamboo handtowels and loo paper. Plenty of extra supplies are all included!

Requirements

Electricity supply

You will need to provide access to a 13 amp electricity supply with a current draw of 10 amps. This is to power the lighting, heating and boilers. A 16 amp electricity supply is standard for any outdoor socket but if you are unable to gain access a generator can also do the same job. If there is no electricity supply nearby, and you are also struggling to get hold of a generator, then please get in touch with us and we may be able to assist you.

Delivery

Delivered to your event by one of our friendly team at Nomadic Washrooms in a 4x4 vehicle wearing our smart branded uniform. As soon as it is in place, we will complete all the necessary setting up and then be on our way. We typically deliver our luxury toilets one to two days prior to your event and collect the day after your event. All of this will be pre-arranged and booked in during the enquiry and booking process.

Parking & access

For health and safety reasons we need a flat and level site, a clear route to access and space to park up. A range of surfaces are fine including grass, tarmac, concrete and gravel. If you are unsure of whether your surface is suitable, send us a message and we'll let you know.

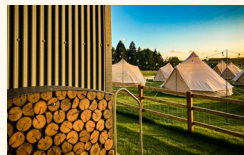

Toilet attendant

A toilet attendant is not included as standard as the trailer is fully stocked with loo rolls, handtowels and toiletries with plenty of spares for your event. For that extra level of service, and so you can relax at your event, we offer a toilet attendant service in the optional extras section.

Water temperature & pressure

All units have a built-in water heating and pumping system, which means that regardless of how cold and weak the water going in might be, you will enjoy nice hot water.

Toilet only

All of our shepherd hut toilet-only trailers come fully self-contained. This means that they have their own tank of water and don't require a connection to a water supply. All waste is stored in the trailers and disposed of by us off site.

Capacity

Capacity of any of our trailers can be increased by two ways, either adding a pump out service, or by combining different members of shepherd hut units from our flock.

Showers

Trailers with showers will require a water supply and a drain/soakaway.

Specifications and Pricing

	Facilities	Max guests*	Shower water	Electric	Space (m)	Prices from**
Little Shepherd	Toilets / Showers	100	Yes	13 Amp	4.5 x 2.0	£750

Shepherd's Huts

Little Shepherd

Shepherdess

Master Shepherd

Showering Shepherd

Washhouse

Accessible Shepherd

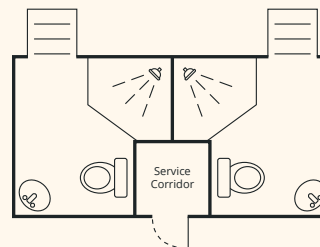

Little Shepherd

The Little Shepherd is our smallest hire unit and the perfect choice for small events, weddings or glamping weekends.

It has a cute symmetrical layout which can be used as unisex toilets or a male and female configuration. Each side is accessible by steps and provides complete privacy when in use.

Key features

-  x2 loo
-  x2 washbasin
-  x2 showers
-  x100 guest capacity (using just loos or 30 people for a two-day event using loos and showers)
-  4.5m x 2.0m space required

Shepherdess

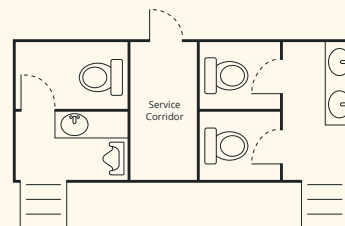

The Shepherdess is our most popular toilet trailer and perfect for hosting medium to large events. There are separate ladies and gentlemen sides, which vary slightly in design.

The Shepherdess is perfect for weddings, events, festivals, glamping weekends and corporate events.

Completely self-contained with its own water supply and waste stored in the trailer and disposed off site by us.

Key features

-  x2 ladies loos
-  x2 ladies hand wash basins
-  x1 gents loo
-  x1 gents trough urinal
-  x1 gents trough sink
-  x175 guest capacity
-  6.0m x 2.0m space required

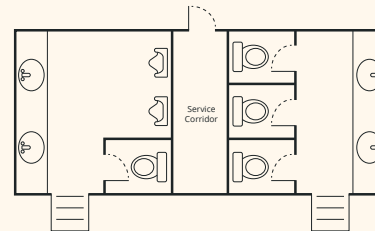

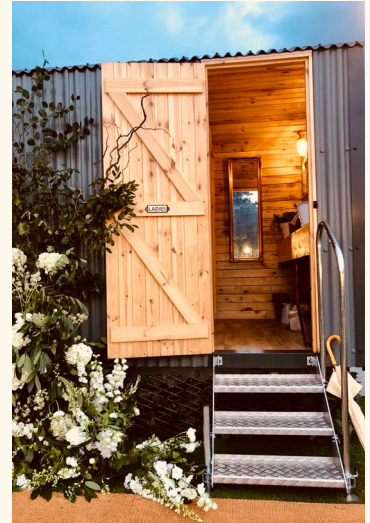

Master Shepherd

The Master Shepherd is the largest member of our flock making it the perfect choice for large events, festivals and weddings.

This toilet only unit has separate sides for ladies and gentlemen, each is accessible via its own steps and providing guests with complete privacy.

Key features

-  x3 ladies loos
-  x2 ladies wash basins
-  x1 gents loo
-  x2 gents urinals
-  x2 gents wash basins
-  x250 guest capacity
-  6.5m x 3.5m space required

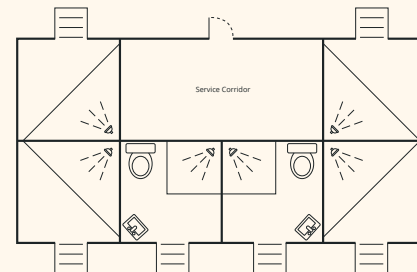

Showering Shepherd

This is our largest combined shower and toilet shepherd hut washroom on offer, making it perfect for medium events and weddings, pop-up glamping sites and mini festivals. This luxury trailer has individual shower and loo cubicles. For complete privacy and flexibility each unisex side is accessed by individual doors.

Key features

-  x2 loos
-  x2 wash basins
-  x6 shower cubicles
-  x80 guest capacity
-  6.5m x 3.5m space required

Please note: This unit requires access to two 13 AMP supplies.

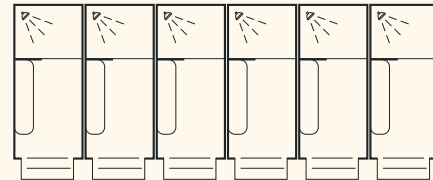

Washhouse

The Washhouse is the newest member of our flock and comprises a six-bay shower trailer. Built to our unique rustic design this unit is perfect for larger glamping events and is a regular out and about on the festival scene.

Each shower cubicle has a spacious practical changing area, bench and hooks for your clothes along with a mirror to do your hair!

Key features

-  Spacious changing areas with benches, mirrors and clothes hooks
-  x6 separate shower cubicles
-  x100 guest capacity
-  6.5m x 3.5m space required

Accessible Shepherd

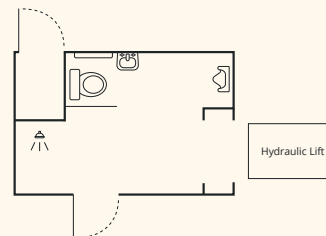

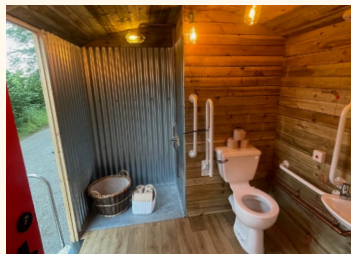

The Accessible Shepherd is our easy to access loo and shower unit.

Perfectly designed for those who struggle with steps, it includes handrails and a hydraulic lift for ease of access.

It is the perfect solution for bridal parties that require extra space for changing and privacy. It is also ideal as a baby change suite.

Key features

-  x1 loo
-  x1 washbasin
-  x1 gents urinal
-  x1 shower cubicle
-  x50 guest capacity
-  4.5m x 2.0m

Please note: The lift can be stored away if not required.

As standard

All shepherd hut trailers arrive at your event fully stocked with eco-friendly toilet rolls, handtowels, hand wash, body wash and shampoo. Plus, plenty of spare supplies! We also have a range of optional extras to make your event extra special.

Optional luxury toiletries

Our toiletry baskets are a popular way to ensure your guests feel amazing throughout the event.

Each wicker basket is thoughtfully curated with his and hers high-end, eco-friendly hair, beauty and personal essentials for your guests' convenience.

Each basket contains:

- Bamboo brush (comb in the men's basket)
- Non-plastic hairspray (non-plastic hair putty men's basket)
- Non-plastic hair ties (ladies baskets)
- Organic cotton tampons and pads (ladies baskets)
- Natural deodorant
- Bamboo ear buds
- Safety pins
- Non-plastic chewing gum
- Bamboo plasters
- Natural hand moisturiser
- Mints
- Rennie's
- Nail file

Toilet attendant

Our trailers are always supplied beautifully clean and in tip-top condition, but after a few hours of wine and beer even the cleanest and most respectful of guests can create a little mess!

If you opt for our toilet attendant service a member of the Nomadic Washroom team will discreetly ensure that the loos remain spotless throughout the duration of your event. Although we always supply spare loo roll, with a toilet attendant there is no worry of going short, leaving you to enjoy your event.

Decorations

All of our shepherd huts come complete with internal florals and foliage to hide the wheels, undercarriage and trailer drawbar as standard.

If you would like to add to the full shepherd's hut experience we can supply a range of extras – most popular are additional external decorations, candle lanterns (with battery candles) and flowers to match your colour scheme upon request.

Pump outs

If you are planning a large event, or just love our loos that much you want them for additional days, then why not take advantage of our pump-out service?

Although our loos can usually hold all the waste from a single day of use, those of you that are planning a BBQ or charity event the following day, or are having a longer event, will need a pump out service to make sure the tanks don't overflow. Trust us, no wants to clean that mess up!

Also available for large scale events

Shepherd's Stalls

Our signature modular washroom suites, created for the most refined weddings and high-end events.

Designed to evoke the elegance of a traditional country estate, they transform marquees and venues without fixed facilities into beautifully appointed spaces of comfort and style.

Each pod is stylishly finished with wood paneling, Nomadic Washroom bespoke patterned wallpaper, polished brass fittings and classic detailing, complemented by discreet vacuum-flush engineering. The result is a luxurious, architecturally considered environment that feels permanent and indulgent — yet remains entirely modular and installable almost anywhere.

To give you complete flexibility for your event, choose from a selection of sink, toilet, vanity and urinal units.

**“Amazing service - friendly team,
gorgeous posh loos and the customer
service throughout was 5 star.”**
