# MOBILE HOSE SERVICE

**HOSEEXPRESS is Hydroscand's mobile hose service that will get you back up and running with minimal downtime, saving you valuable time and money.**

When time is of the essence, we understand that you can't always make it to your local branch, so we offer the mobile breakdown service **24/7, 365 days a year.**

Hydroscand is an international family-owned business, founded in 1969 in Stockholm, Sweden. Hydroscand has operations in 21 countries and shares expertise across the Group.

Present in the UK since 2002, we offer a complete range of quality hydraulic and industrial hoses, fittings and fluid transfer solutions for all industries from construction to marine to waste management. The entire company is dedicated to meeting the needs of our customers 24/7, through our experienced and knowledgeable branch based and mobile teams.

## HOSEEXPRESS SERVICE

- No call-out fees during branch opening hours
- Scheduled maintenance and service agreements
- High quality machines and tools
- Oil spill products and services
- Fully stocked mobile vans
- Great customer service
- Extensive range of products in stock
- Highly knowledgeable & friendly team
- Quality products at competitive prices

## ON-SITE HELP WHEN YOU NEED IT

## HYDROSCAND MOBILE VANS

- The Hydroscand 24/7 mobile vans are crewed by fully trained, dedicated mobile hose technicians, offering a first-class service.
- The vans are stocked with a wide variety of hose, fittings and adaptors suitable for an extensive range of applications, all supported by our branches.

## ENVIRONMENTAL RESPONSIBILITY

We dispose of old hoses and contaminated products through an approved waste management system.

## TRAINED AND EXPERIENCED MOBILE HOSE TECHNICIANS

All mobile technicians are capable of carrying out on-site fault finding, hydraulic hose installation and customer support.

All mobile technicians are trained to comply with the latest on-site health & safety regulations. They are also trained to work safely and in hose assembly skills to the industry standards through the British Fluid Power Association (BFPA).
