Fowler and Gilbert Ltd are based in Market Drayton, Shropshire. We operate nationwide, having successfully completed projects from the tip of the Scottish Highlands to the sea views of Cornwall and from the Isle of Man to Norfolk.

We specialise in the design, manufacture and construction of high quality CE marked steel portal framed buildings for a wide variety of agricultural and commercial uses.

Our products & services include:

- Building Design
- Supply of drawings
- Installation of foundations
- Groundworks
- Manufacture of bespoke buildings
- Supply of kit frame buildings
- Steel erection & cladding services
- Sale of building materials
- Nationwide coverage

We manufacture, supply & build:

- Cubicle buildings
- Lambing sheds
- Dairy units
- Workshops
- Crop stores
- Equestrian arenas & stables
- Hay barns
- General purpose storage
- Industrial buildings

At our new custom built facility in Shropshire, we are ideally placed to offer nationwide coverage.
