

# Working with You Towards an Energy Independent, Low Carbon Future

Unlocking the power of renewable energy

## About Your Eco

Your Eco is a Certified B Corp™ company delivering transformative solar PV and battery storage systems for the UK's most trusted organisations. With over 30MW installed across seven countries, we combine technical excellence with military precision to create sustainable energy solutions that balance performance, aesthetics, and ethical sourcing.

## Project Portfolio

YOUR ECO

# Project Management

**30MW+**

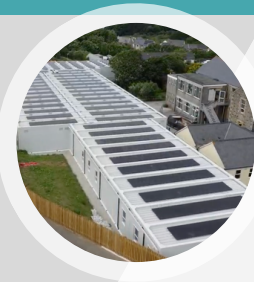

Total solar capacity  
installed

**10 yrs**

Operational excellence  
and delivery

**7 countries**

International project  
deployment

## OUR PROCESS

### How We Manage Our Projects

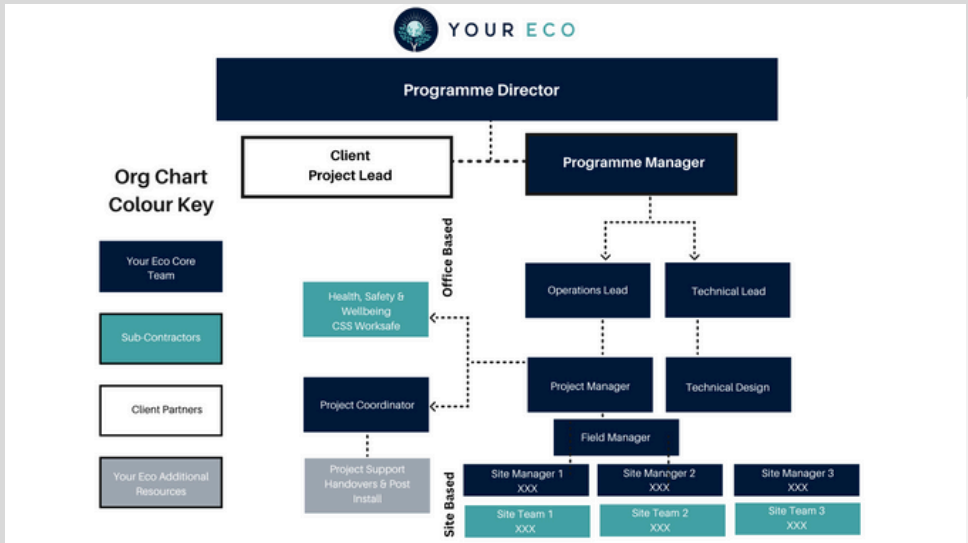

Your Eco stands at the forefront of the UK's renewable energy sector, delivering enterprise-scale solar PV and battery storage solutions for organisations committed to meaningful sustainability and strategic energy management.

YOUR ECO

# Your Eco's Team

## Safety

### Planning

- Risk assessment
- Roof suitability
- Product choice

### System Design

- Fire barriers
- Cable management
- Inverter placement
- Limit areas of failure

### Installation

- Adhere to standards and regulation; MSC & RC62
- Follow instruction for correct installation of all components
- Testing and inspection; insulation resistance, voltage, physical inspection

Item	Description	Quantity	Unit	Notes
1	10kW Solar Panel Array	1	Set	Includes inverter and mounting hardware
2	10kW Solar Panel Array	1	Set	Includes inverter and mounting hardware
3	10kW Solar Panel Array	1	Set	Includes inverter and mounting hardware
4	10kW Solar Panel Array	1	Set	Includes inverter and mounting hardware
5	10kW Solar Panel Array	1	Set	Includes inverter and mounting hardware
6	10kW Solar Panel Array	1	Set	Includes inverter and mounting hardware
7	10kW Solar Panel Array	1	Set	Includes inverter and mounting hardware
8	10kW Solar Panel Array	1	Set	Includes inverter and mounting hardware
9	10kW Solar Panel Array	1	Set	Includes inverter and mounting hardware
10	10kW Solar Panel Array	1	Set	Includes inverter and mounting hardware

YOUR ECO

1.1 MW

Global multi-national  
multi-site  
decarbonisation  
programme

## Multiple Roof Project Lincolnshire

YOUR ECO

SIEMENS

2MW

Across 30 sites  
delivering several  
megawatts of solar  
across their estates  
portfolio from  
Plymouth, along the  
south coast and up  
to Windsor.

## MDL Marina Program South Coast

YOUR ECO

10MW

In partnership with YTL Construction installing on 6,500 new energy-efficient homes with solar PV and battery storage including arena, pbsa and train stations.

## Housing Development Brabazon Bristol

YOUR ECO

Brabazon

600kW

Across 5 hospitals  
working within timing and  
budgetary constraints  
delivering clean energy  
with patient  
confidentiality at the  
heart of our program  
works.

## Multi-Site NHS Cornwall

St Austell

YOUR ECO

565kW

Part of a multinational plc, a precision manufacturing plant in Wiltshire on a curved standing seam roof.

**Knorr-Bremse**  
Wiltshire

YOUR ECO

**KNORR-BREMSE**

750kW

Helping our Facility  
Manager clients  
decarbonise their  
property portfolio.

## Leisure Centre Multiple Sites Berkshire

YOUR ECO

Zeal's Exeter Science Park hotel is the UK's first net-zero hotel with solar cladding—vertical panels on three walls plus a rooftop array—generating 300kWh annually and driven by a strong commercial strategy.

300kW

## Zeal's Hotel Exeter

YOUR ECO

344kW

Retrofitting the National Trust's Heelis HQ solar system, expanding it from 60kWp to 344kWp with a sustainable, behind-the-meter design using recycled components.

## 344kW The National Trust Swindon

YOUR ECO

National  
Trust

439kW

A multi-site project delivered in the North East of England for a large manufacturing business, working within their operational constraints for the live site

**Oil & Gas  
Manufacturing  
Lancashire**

YOUR ECO

Working on a newly built and commissioned operational water treatment plant.

250kW

## Wessex Water Somerset

YOUR ECO

257kW

Delivering 612 solar PV panels across 3 different Siemens's buildings, generating 211 MWH of energy for EMCOR.

Siemens  
Cumbria

YOUR ECO

SIEMENS

260kW

Across 5 roofs using  
15 Tesla Powerwalls  
with a 509-panel  
solar+storage rooftop  
system

## Shopping Centre Cheltenham

YOUR ECO

THE  
BREWERY  
QUARTER  
SHOP | DINE | STAY | PLAY

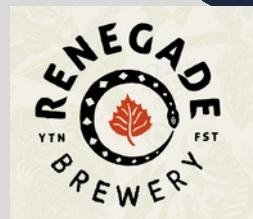

456kW

On the  
Yattendon estate  
as part of a  
program with this  
brewery part of  
their net zero  
journey.

**Yattendon  
Berkshire**

YOUR ECO

350kW

API data used to match high production with peak demand. Integrated generator with solar with battery interface.

Breedon  
Warwickshire

YOUR ECO

282kW

Manufacturing  
company goes  
green with multiple  
roof systems and a  
39% annualised  
ROI.

**Green Blue  
Urban**  
Sussex

YOUR ECO

238kW

Working in the agricultural and cold-chain sectors helping this farm provide energy security to their operations.

## Buxton Potato Farm Norfolk

YOUR ECO

337kW

Multi pitch install requiring a complex design, and netting a significant volume of fragile roof light sections.

## Bailey's Caravans Avon

YOUR ECO

# Money where our carbon is.

We donate 1.5% of our project values to help us meet our carbon neutrality & ESG goals through our charity, Reduce Our Carbon Charitable Foundation rolling out smokeless stoves and agroforestry projects on the front line of climate change.

## Our Accreditations

Demonstrating our commitment to excellence across all operations:
