

Health & Safety and HR Support That Works for Your Business

Award-winning, practical advice for SMEs who want to meet their legal obligations without the stress.

Keeping your people safe, supported and your workplace legally compliant.

Running a business is demanding enough without second-guessing your legal obligations.

At CXCS, we provide straightforward, practical health & safety and HR support for small and medium-sized businesses. We simplify complex legislation, supply essential documentation, and give you direct access to experienced advisors – so you can focus on growing your business with confidence.
