

**ClieNFarms**  
Climate Neutral Farms

# SUPPORTING THE TRANSITION TO CLIMATE-NEUTRAL AND CLIMATE-RESILIENT EUROPEAN FARMING

ClieNFarms is an Innovation Action project funded by the European Commission to support the European Green Deal. It aims to co-develop and scale up systemic, locally relevant solutions to foster climate-neutral and climate-resilient farms across Europe.

STRONG ADVISORY  
SUPPORT, DEMONSTRATION  
AND EMPOWERMENT OF  
FARMERS

INNOVATIVE SOLUTIONS  
TO REACH CLIMATE-  
NEUTRAL FARMS

## Why should farmers join us?

**Interact**  
with researchers and advisors
