

TRANSFORMING YOUR BUSINESS TOGETHER

TTG is thrilled to join The Business Show 2021

JOIN TTG AT STAND B1020, ON THE 24TH AND 25TH OF NOVEMBER
AT THE LONDON EXCEL

TTG will be exhibiting for the first time at The Business Show this year, the team is proud to join the event in the wonderful hometown of TTG, London. The TTG Co-founders and sales team will be on site for both days of the exhibition. The team is eager to learn from the greatest minds in business at the event and also to connect with individuals to identify how we can help others accelerate their business transformation. Stop by and talk to the TTG team about business transformation, TTG love a challenge so don't be afraid to share any big ideas.

WHAT WE STAND FOR

WE LISTEN

We spend time understanding your business, culture and customers so that we can make the best decisions based on your unique needs.

WE ADAPT

We are platform-agnostic and are constantly innovating to bring you the best technology available. We can work on-site or remotely depending on your needs.

WE EMPOWER

We leave you in a stronger position to succeed with the capabilities, support and solutions to fuel your business growth.

ABOUT TTG

We get to the heart of your business challenges and goals to offer unique approaches, hands-on expertise and a tailored plan to set you up for future success. One size does not fit all.

We help businesses to achieve their goals through great technology solutions and leadership. We work closely with our clients to build a tailored approach, helping them to overcome their specific challenges and enabling them to achieve their vision. Between our leaders we have experience across a broad spectrum of sectors from education and health to finance and agriculture. Although each sector has its own unique challenges and regulations, we have found that great technology that enhances employee and customer experience is a universal desire. We work with all sectors and work quickly to understand your needs and your landscape.

"We are excited to be part of The Business Show this year. After months of meeting people over screens, we can't wait to get out into the real world and build new connections. I am really looking forward to identifying new opportunities, I believe business transformation will be leading force in 2022 as we move further into the digital world"

Ian Turfrey, CEO at TTG
