2. Would you like a pull up banner, counter and/or literature stand(s)?
3. Send us the order via email or go to our [website](#) and click **ORDER NOW**

### It's as EASY as that!

#### What happens next?

Once we receive the Order we will send you the invoice, artwork specs/dims & blank InDesign templates for your graphic designer. Send us the "print ready artwork" before the agreed deadline and we will confirm everything is ok. A few days before the expo we will email an update confirming everything, then you just turn up on the morning of the exhibition and your stand will be ready for you.
