Stand Enhancement Brochure

## STAND OUT FROM THE CROWD

Up is the perfect solution to upgrade your shell scheme stand to a high impact, affordable and sustainable space on the exhibition floor.

Get the maximum exposure from your stand for minimal effort. Graphics, power, lighting, flooring and furniture or all included in the design and build of our stand.

Whether it just be a graphic back wall or a complex build, **UP** offers every solution you need to exhibit effectively, successfully and with minimal carbon footprint.
