

What Industry Can Offer

Andrew Cowdery

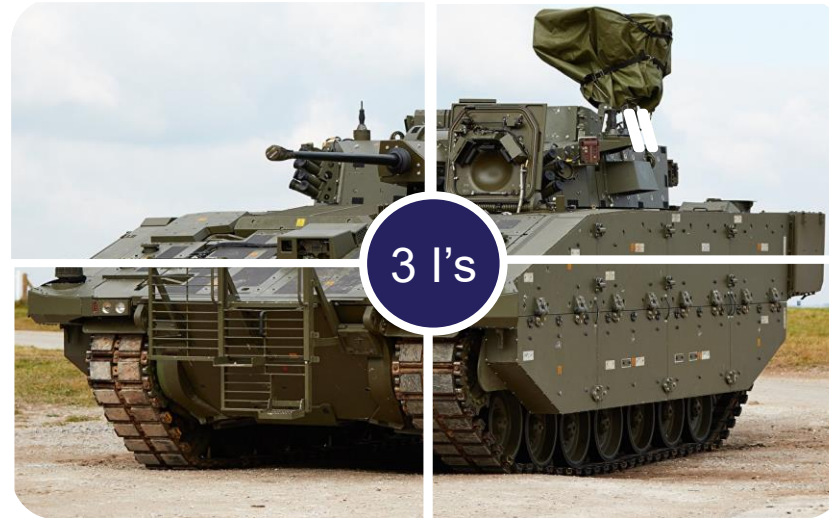

Industry Co-Chair

Defence Growth Partnership

What Industry has to Offer?

- Ideas
- Innovation
- Investment

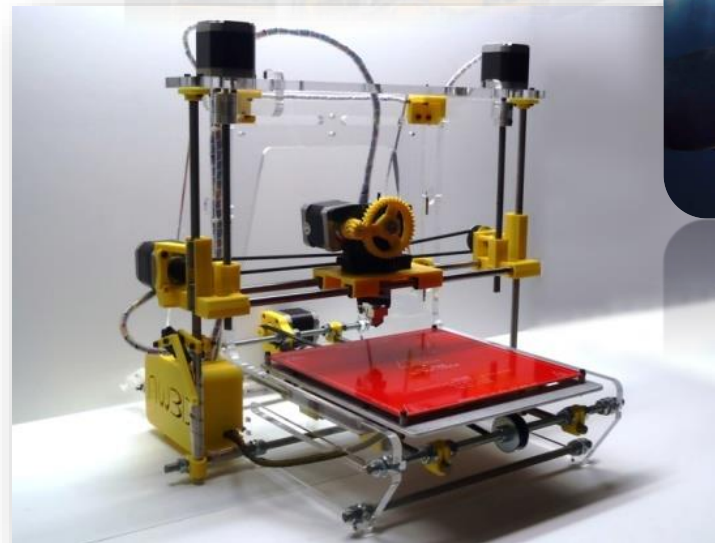

- Capability
- Collaboration
- Competition

Industry Offer - Adaptive to the Rapid Pace of Change

- Industry 4.0
- Big Data
- Advanced Analytics
- Human Machine Interface
- Digital to Physical Transfer
- Modelling and Simulation
- Smart Systems
- Artificial Intelligence

The Key 'Value Drivers' of the Industry Offer

- Time to Market
- Innovative Solutions
- Value Proposition
- Sustainability
- Asset Utilisation
- Design Rights
- Supportability
- Collaboration
- Exportability

Enabling an Eco-System to Support the Industrial Offer

- Early Engagement
- Collaborative Environments:
 - Accelerators
 - Catapults
 - Innovation Hubs/Centres
 - etc.
- Investment/Funding
- International Partnerships
- Skills & Training
- Regulations
- Strategic planning
- Commitment

Thank you
