PRI
PERFORMANCE REVIEW INSTITUTE

Performance Review Institute

Issued 8,883+ Accreditations and 1,678+ Certifications in over 50 countries

The Performance Review Institute® is the world leader in facilitating collaborative supply chain oversight programs, quality management systems approvals and professional development in industries where safety and quality are shared values.

Over 90 courses offered and 40 Bodies of Knowledge

Established as a not-for-profit trade association in 1990, PRI serves customers globally through our offices in the USA, UK, China and Japan. Our work helps to improve product quality and safety, while reducing costs, and is aligned with the most technologically advanced companies and engineering efforts in the world.

We have over 300 auditors in more than 30 countries

PRI is trusted by stakeholders in critical industries globally to provide superior technical accreditations, management systems auditing, and professional development opportunities. Our people are acknowledged as the elite in their respective industries and are counted among the foremost technical experts in their field, based on level of education and technical experience.
