CHEMISTRY, SAFETY, AND MANUFACTURING

From our dedicated state-of-the-art facility in Arkansas, USA, White River Energetics, LLC (WRE) specializes in the manufacture of small caliber primers and in the research and development of modern energetics manufacturing processes. WRE manufactures boxer type primers for centerfire ammunition, supporting a wide range of domestic and international clients in the defense and sporting markets. A wholly owned subsidiary of D&M Holding Company, Inc., WRE primers are sold exclusively through D&M Ammunition Manufacturing Solutions.
