# Mini Cooper Register

The Legend Lives On

Founded in 1986, the MCR has become the premier club for all things Mini and although the wonderful Mini Cooper will always be at the heart of our club, we welcome enthusiasts of any Mini or MINI model, past or present.

Read more about the benefits of membership.

The National Mini Day is our flagship event which is held annually at Beaulieu with displays, trade stands, a concourse and much more.

International Trips are organised both by the club and some regions. Each year the register runs a 'Minis To:-' event which alternates between mainland Europe and Ireland.

Club Registers. We have a register for each of 17 different Mini and MINI models from Ex-Works to Non-Cooper. There's a place for everyone.

Regional Events.
Many regions organise trips to local shows and some even host their own events. These can range from monthly meetings at the local to touring assemblies.

motorsport uk

Recognised Club

As a recognised club, we abide by the rules and regulations that govern UK motorsport.

Discounts from Club Sponsors

Members of the club recieve generous discounts from our sponsors which quickly repay the membership fees.

CooperWorld Magazine.

The club produces an award winning, full colour, A4 magazine which is published monthly and delivered to your letterbox. Packed with articles and features, it's a must read.

And Much More

Assistance with recovering old registrations, technical help from our social media platforms and vehicle valuations from our registrars.

Club Regalia. The club shop has everything you need to show how much you love these cars. The range is constantly under review and is refreshed throughout the year.

So whether you like driving them, fixing them, polishing them or even just sitting in the sun and talking about them, the MCR is the club for you.

To join the Mini Cooper Register you can complete and return the form you have been given with this brochure or you can sign up on line at: www.minicooper.org
