

Sharing your passion

WELCOME

Welcome to our Club Membership Prospectus. Amongst its pages you will find a flavour of what the Club offers and the range of activities and events you can enjoy.

Since 1967 we have been sharing the passion of Ferrari and adding to members' enjoyment and ownership of their cars. We are independent, but as the Ferrari S.p.A recognised Owners' Club for the UK, we are part of the Ferrari 'family' and maintain a close relationship with Ferrari North Europe and the factory.

We are a friendly, relaxed Club with around 2,500 members who own a wide range of models from early tipos to the latest in the Ferrari range.

Fundamentally though, the objective of the Club is to enable you to enjoy your Ferrari in the company of likeminded owners, meet new Ferrari friends that you can join at our events and add to the ownership experience of these fantastic cars.

Christian Mineeff
Club Chairman

Ferrari ownership is best enjoyed with friends, and it's with this strong sense of friendship that I invite you to join our Club, with some of the most dynamic and interesting motoring events found in the UK, not to mention a fantastic social scene.

As a member you are supported by our knowledgeable and friendly office staff and experienced events teams.

Our role is to deliver a high-level of customer service and events for our members. We emulate the lifestyle experience that ownership of a Ferrari brings, in many ways we are a lifestyle Club built around the ownership of your Ferrari.

We pride ourselves on offering something for everyone from smaller local events with fellow members to larger social occasions at exclusive venues. You can do everything from a local drive out and picnic to racing your Ferrari internationally, all under the care and organisation of the Club.

Will Brown
Club Secretary

Club Events

The Ferrari Owners' Club of Great Britain

We have a wide-ranging calendar of events with something for every interest, from meetings and drive-outs organised by local area groups, to motoring events we attend as an invited Club or our own flagship events that we own and manage ourselves as well as our competition race series.

You can choose to take part in as much or little as you wish, locally or nationally. We know that weekends are our members' leisure time, so we reflect that in the relaxed nature of many of our events. We also know that your Ferrari is extremely valuable, so for events like our Summer Garden Party and Concours we take the venue exclusively for added security and peace of mind.

We pride ourselves on the quality of the events that we run, with our key functions managed by our own events team with great attention to detail making the experience as sociable, accomodating and memorable as you'd expect from the UK's leading motoring lifestyle Club.

National Ferrari Owners' Day

Our biggest event of the year

The National Ferrari Owners' Day is the largest annual gathering of Ferraris in the UK, first held at the period Sywell Aerodrome in Northamptonshire. Entry is free for Club members, and you can display your Ferrari, browse our exhibitor displays, take a high-speed drive down the runway and enjoy evening entertainment.

This is the perfect opportunity for a family day out to meet like-minded owners and see a huge and varied range of Ferraris. Representatives from the Ferrari Dealer Network will be on hand to show you the latest models and take you on a test drive should you wish.

Being at an Aerodrome we added in some air power with an air display, static period aircraft on show and an exclusive members' package to fly in a two seater Spitfire amongst other distinguished warbirds.

FERRARI
OWNERS' DAY**

Summer Garden Party

Italian Style meets British Grandeur

Our Summer Garden Party is our flagship social function and members-only event, held at exclusive venues such as Rushton Hall and Danesfield Park. The event also hosts our annual Concours where members who like to prepare their cars to a high standard can compete for honours, judged to international standards.

For others, it is the chance to peruse our luxury exhibitor stands in the main marquee, enjoy live music, relax in the grounds, taking in the ambience as you enjoy good food, meet with friends and wander amongst stunning cars in spectacular surroundings.

This is a lazy, hazy summer's day at its best.

Gala Dinner & Dance

Celebrate the year with fine dining, music and incredible entertainment

Our Gala Dinner and Dance has seen us grace the ballrooms of the finest UK hotels each year including The Savoy and Grosvenor House.

In previous years we have followed a West End show theme with the night's entertainment including bespoke performances of *The Lion King*, *We Will Rock You* and *The Greatest Showman*.

Typically held in March, this is the first event on our national calendar and your chance to meet fellow members, enjoy good food and wine, excellent entertainment, then round off the evening by dancing the night away to our popular band.

Club Competizione

*A celebration of motorsport
and passion*

Ferrari Club Competizione is our race event and Club festival weekend.

The Club has Motorsport UK Licence Certification to run our own race meeting giving us the opportunity to organise our own competition weekend.

Launched at the challenging Croft circuit near Darlington in 2021, the timetable comprises

racing for our two race series and includes guest series, track time for members, track parades, track demonstrations, paddock displays and evening entertainment.

These are major Club events for all members with a particular focus on our Area Groups, helping ensure our national events calendar is varied and representative of all parts of Great Britain.

SUMMER PICNICS

Our informal picnics are loved by our members

Launched in 2020, our Summer Picnics proved an immediate success with members who appreciated enjoying the grandeur of two of the UK's best stately homes, but with a more informal setting than that of our Garden Party.

Two events - one in the North of England, one in the South - welcome our Area Groups for a high quality picnic and afternoon tea, a chance to catch up before the nights draw in. Held in late summer, our Summer Picnics are a relaxed afternoon and a great way to get involved with our National events as a new member.

EXCLUSIVE TRACK DAYS

Feel the passion and performance of your Ferrari on the most iconic race circuits

Experience the power and performance of your Ferrari at one of our exclusive Ferrari-only track days on prime UK circuits such as Silverstone, Brands Hatch and Goodwood.

The circuits are hired exclusively for Club members so you are assured of having likeminded drivers on track. This is an excellent way to develop your driving skills and learn more about your car's capabilities in a safe environment.

Off the track you can enjoy hospitality in the clubhouse or walk the pits and get up close with the latest production and track cars.

DRIVING TOURS

*Enjoy some of the best driving routes
in Europe*

Ferraris were made for driving, and as such we organise local, national and international tours for our members. Past tours have included some of the best driving roads in Wales as well as tours in Scotland and the fine wine regions of France.

Our largest recent tour saw a group of members drive from Maranello Sales in Egham to the Ferrari factory in Maranello with a trip to Hublot in Switzerland en route. This gave our members the chance to take their Ferrari 'home' and drive it through the factory gates again.

This is the type of 'money can't buy' experience the Club can arrange for its members. Stunning scenery, luxury hotels and fine dining are all part of the itinerary.

DEALER EVENTS

*Enjoy exclusive events at your
local Ferrari dealer*

The Ferrari Owners' Club is proud of the relationship it has with both Official Ferrari and independent dealers across Great Britain. As such we regularly work with them to offer exclusive model launch events, viewing parties and Grand Prix socials for Club members.

Local Area Groups

Additional events organised close to you

As a National Club our membership extends from Scotland to the West Country and Northern Ireland, supported by over 20 Area Groups each with their own Area Group Organiser (AGO).

The AGO organises local monthly meetings, drive outs and attendance at local events keeping members up to date with regular emails and social media updates, giving area members the opportunity to meet more regularly and socialise locally.

Club members can join multiple Area Groups enabling you to get involved with the events that best suit you, helping you to make the most from your membership.

Find an Area Group near you online at:

Factory Tours

*Witness the marriage of passion and performance
in Maranello*

We annually offer two Italian mini breaks to the home of Ferrari that combines the culinary delights of the Emilia-Romagna region with a fascinating insight into the production of the world's greatest cars.

The tours organised and hosted by the Club have proven very popular with members and the busy three day itinerary includes:

- Flights
- Executive coach transfers
- Accommodation
- Pre-booked restaurants for lunch and dinner including wine
- Guided Ferrari Factory tour plus visits to other local attractions e.g. the Maserati Museum, Panini Museum and Museo Stanguellini
- Free time in Modena.

Club attendance at Major Events

*Enjoy invitations to premier automotive events
across the country*

We are also invited to attend key motoring events including the Silverstone Classic, Festival Italia and Salon Privé, where our members enjoy prime display areas.

You'll be at the centre of the action at these major car events, with members-only parking, and exclusive entry ticket deals amongst the additional benefits.

Club Competition

Put your talents to the test in one of our competition series

The Club staged the UK's first all Ferrari race at Donington Park back in 1982 and since then the competition has evolved into several race series. Past drivers lining up on the grid have included the likes of Nick Mason and Chris Rea, and many of our racers have progressed to compete at historic races including Le Mans, indeed several British GT Champions started their racing careers with the Club.

Today we run our classic series, the Pirelli Ferrari *formula classic*, with its comparatively modest running budget, and our Ferrari Club Racing series for more modern Ferrari Challenge cars.

For those that want to compete without a purpose-built race car, our Pirelli Hillelimb Championship allows production specification cars to run competitively at some of the UK's most historic venues including Prescott and Shelsley Walsh.

As an enthusiast, the Club offers you these competitive experiences, only open to Club members, in a competitive yet friendly and supportive environment. If you've never competed before, our series are the ideal way to start your motorsport journey with advice and guidance freely provided.

Pirelli Ferrari *formula classic*

Official support series to the Ferrari Challenge UK

The Pirelli Ferrari *formula classic* is a race series for production cars promoted and organised by the Ferrari Owners' Club of Great Britain. PFC races are held at premier circuits across the country.

Eligible cars include: 308, Mondial, 328, 348, 355 and up to the era of 550.

Ferrari Club GB Racing Series

Compete across Europe in Challenge Spec Race Cars

The Ferrari Club Racing Series is an exclusive competition series for Challenge race cars promoted and organised by the Ferrari Owners' Club of Great Britain. FCRS races take place at some of the most prestigious circuits in Europe.

Eligible cars include: 360, F430, 458 and 488 Challenge cars.

Pirelli Ferrari Hillclimb Championship

Race on Britain's historic hillclimb courses

Race against the clock at some of the most iconic British hillclimb and sprint venues in the Pirelli Ferrari Hillclimb Championship. This series is for production Ferraris and is promoted and organised by the Ferrari

Owners' Club of Great Britain.

Club Membership

More than just a Club

Ferrari owners know that a Ferrari is not simply a machine - it is passion, performance, love and art distilled into one.
