Expect **5★** Service

Expect Likeminded People

We've been in the business of looking after single holidaymakers for over 30 years. Here are just 3 of over 500 five star reviews on TripAdvisor:

“These wonderful people exercise kindness and excessive hospitality. On arrival, you are embraced as family. You eat like a local (beware of your waist-band). You're also immersed into Cretan culture. In a league of their own, they have no equal for solo travellers.”

“Beautiful boutique style hotel, staff that treat you like family, delicious authentic food, huge portions, extensive play list for after dinner dancing or just listening. Spa options and lots of trip options. Free shuttle service on Tuesdays.”

“I have to say, it was terrific from start to finish. Staff were kind and thoughtful. Accommodation clean and spacious. Food plentiful and other guests easy. We laughed a lot, shared stories, food and email addresses. Alone time was easy and the outdoor bar fabulous for socialising.”

We only cater to solo travellers
