 Veron & Milan

About this trip

An unforgettable trio of operas in iconic settings. "**La Traviata**" and "**Carmen**" at the stunning Arena di Verona under the stars, followed by "**Norma**" (a Druid priestess torn between duty and love) in the world renowned Teatro alla Scala.

Apart from the operas, there will be time to see some of Verona's wonderful medieval architecture and Milan's sophisticated shopping districts & Duomo – a Gothic masterpiece.

Both cities celebrate their local wines and special culinary delights. Verona with its '*risotto all'Amarone, polenta and pastissada de caval* and for the Milanese cuisine – *risotto alla Milanese, cotoletta, and ossobuco*. Sample them if you can!
