

SPRY HOUSE of OUD

I encountered the unmistakable Oud at an early age and was instantly enthralled. Spending part of my childhood in Tehran, I was surrounded by rich flavours and captivating fragrances. Now, all these years later, I honour that most coveted of fragrances by creating the House of Oud. Joining the existing Arabian Nights & Aphrodite, my new collection, Oud Oasis, celebrates indulgence and opulence - a true homage to the luxury of this sovereign scent.

Ravleen Sharma, Spry

Take your seat at the throne and savour this sovereign scent of power and elegance.

Her majesty invites you into the royal chambers...

The Empress of scents, this finest of fragrances evokes the imperial beauty and sensuality of the Middle East.

Timeless and decadent, soak up the strength of this divine perfume.

Stimulating top notes of exotic oud and smouldering sandalwood.

A sensational combination of Oud, tobacco and black Halfeti Rose
