Sides made of sustainably sourced filling

DUPONT  
sorona®

\*Survey of 54 families, conducted by Purflo March-May 2021

## Safety Testing

Sleep meets science - a revolution in safer, more settled sleep

- Passes overnight sleep aspects of BS EN :1466 - The safety of a carrycot, due to the firm side walls
- Passes BS 4578:1970 - Airflow safety test, due to the clever filling inside
- Passes BS 5852 - Flammability and Chemical test, it's safe for sensitive baby skin
- Complies with safe sleep guidelines by having a firm, flat mattress

It's what parents have been waiting up for!
