Fire extinguisher

"AB-Schaum" foam extinguisher

Normal price

€77.00

"AB-Schaum" foam extinguishers are the perfect fire extinguishers for your stand. Convenient and easy to operate, they are ideal for extinguishing incipient fires of fire classes A (solid materials such as wood) and B (liquids such as petrol).

Their outstanding fire-extinguishing performance is achieved using a newly developed organic foam that contains significantly less fluorine – meaning it is much better for the environment. In addition, the foam can be removed easily after the fire has been extinguished.

This is why you need fire extinguishers at your stand

Messe Frankfurt believes in the importance of measures that increase the safety of exhibitors and visitors, and naturally this includes fire protection in exhibition halls, at stands and during events of all kinds.

The Messe Frankfurt Technical Guidelines mandate extensive fire protection measures in order to ensure that these high standards are maintained. One rule that is universally applicable mandates that there be at least one fire extinguisher at every stand. Depending on the stand size and the specific situation, it may be necessary to keep multiple fire extinguishers at the stand.

Messe Frankfurt Venue GmbH collects and uses the data you provide here to process your order.

The exhibitor undertakes to equip their stand with fire extinguishers. In this regard, we refer to the provisions of the Technical Guidelines, 4.4 Fire protection and safety regulations.

Fire extinguishers are items for purchase, and they become the property of the exhibitor. Fire extinguishers are delivered directly to the stand. This delivery is free of charge.

Fire extinguishers are supplied with two stickers. In the event that the fire extinguishers are kept in a location that is not immediately visible, these stickers can be used to identify their location.

A matching stand can be ordered for each fire extinguisher for a fee. The fire extinguisher can be mounted securely in this mount. The mounts are also items for purchase, and they become the property of the exhibitor.

As a result of statutory requirements and safety regulations, it is necessary to affix labels to each fire extinguisher containing the following information:

- Event and event year
- Exhibitor name
- Stand number

The marking of fire extinguishers is entirely the responsibility of the exhibitor. Please enquire with the organiser regarding whether or not this is necessary. Delivery can be made to the exhibitor or to persons who are affiliated with the exhibitor (such as employees or stand personnel). Should no such individuals be present, delivery will be made to the stand's stand constructor or to a person affiliated with the stand constructor (such as their employees or team members).

3. Invoicing

(1) Invoices shall be due and payable upon receipt. Messe Frankfurt Venue GmbH shall be entitled to issue invoices before performance of services based on reasonable flat-rate charges.

(2) The charges listed in the currently valid price list shall be binding upon both parties hereto. Any services that do not appear in the list are not included in the charges stated therein and shall, where applicable, be invoiced separately.

(3) Counterclaims can only be offset if they are undisputed or have been confirmed by a court of law in a final form.

(4) Complaints regarding the non-provision or incomplete provision of ordered items or services must be received by the vendor/supplier involved no later than the same day. Any complaints received thereafter will be disregarded.

(5) Messe Frankfurt Venue GmbH will charge a handling fee of €50.00 plus VAT for subsequent changes to the invoice that are necessary as a result of changes to the invoice recipient, address changes etc. This fee will be shown on the modified invoice.

4. Cancellation by the customer

The customer may cancel by submitting a written cancellation to Messe Frankfurt Venue GmbH no later than 22 calendar days prior to the start of the event, reckoned from the date of receipt. Cancellations can be accepted at later dates only if provision of the respective service(s) – or parts thereof – has not yet commenced. Should Messe Frankfurt Venue GmbH notify the customer that cancellation is not possible because the provision of the ordered services has already commenced, this notification shall be binding. Messe Frankfurt Venue GmbH has no obligation in such cases to prove that work had already commenced at the time the cancellation request was received.

The foregoing provisions shall apply analogously to any changes to the ordered service(s).

5. Warranty

(1) The warranty is subject to statutory provisions unless stipulated otherwise in the following.

(2) The customer is initially only entitled to demand supplementary performance in the form of rectification. The form in which appropriate rectification is provided is at the discretion of Messe Frankfurt Venue GmbH, which may provide replacement at any time. The customer may not assert any other claims, particularly for a reduction in price or cancellation of the contract, unless two attempts at rectification of the same defect have failed.

(3) The warranty does not cover defects incurred by the customer due to natural wear, moisture, intense heat, improper use or improper storage. Similarly, the warranty does not cover reasonable deviations in terms of form, dimensions, colour or types of materials.

(4) The customer undertakes to inform Messe Frankfurt Venue GmbH without delay of any defects and to provide Messe Frankfurt Venue GmbH with the opportunity to respond accordingly.

(5) In the event that the complaint about defects is made too late or reservations regarding known defects were not communicated at the time of acceptance, such warranty claims shall be null and void.

(6) Warranty claims shall also be null and void if the customer makes their own modifications or if they hinder/prevent the assessment/rectification of defects; this generally applies to complaints about defects made after the end of the trade fair regarding defects that occurred or became known during the fair.

6. Liability

Messe Frankfurt Venue GmbH shall be liable without limitation for claims due to injury to life, body or health, breach of guarantees, and for damages that are the result of intent or gross negligence on the part of Messe Frankfurt Venue GmbH, their legal representatives, employees or vicarious agents, as well as any claims resulting from fraudulently concealed defects.

In the event of a breach of cardinal obligations (duties whose fulfilment is of particular importance to the purpose of the agreement and on which the contracting party should be able to rely), Messe Frankfurt Venue GmbH shall only be liable for simple negligence on the part of Messe Frankfurt Venue GmbH, their legal representatives, employees or vicarious agents for such damages as were typical and foreseeable for such contracts. Liability for any other damages caused by simple negligence is excluded. This also applies to indirect damages and consequential damages.

7. General conditions

(1) Both parties to the agreement accept these terms and conditions as integral parts of the agreement binding upon both parties. Any differing general terms and conditions of business or purchase of the customer not apply, even if the customer has referred to these and Messe Frankfurt Venue GmbH has not specifically rejected them.

(2) Should individual provisions of this agreement be or become invalid, the validity of the remaining provisions shall not be affected. In such a case, both parties to the agreement undertake to replace any invalid provision with a valid provision that most closely achieves the commercial purpose intended by the invalid provision.

(3) Both parties to the agreement explicitly agree Frankfurt am Main to be the place of performance and jurisdiction for all claims and disputes arising from this agreement.
