Welcome to your Inclusive Guide to the Energy Transition

WHAT IS ENLIT?

From source to generation, from grid to consumer, the boundaries of the sector are blurring and this evolution is being shaped by established players, external disruptors, innovative start-ups and the increasingly engaged end-user.

Enlit Europe brings all of these people together face-to-face to seize current opportunities, spotlight future ones, and inspire the next generation to participate in the journey.

Your one-stop hub for projects accelerating the energy transition

Endorsed by

SUMMIT

A festival of energy knowledge and new thinking across three stages in contrasting formats

Learn what the industry's visionaries think is the future direction of travel, how the roadblocks can be overcome and where the sweet spots for opportunity and innovation are. Registered delegates can access both Summit and Hub sessions as well as high-level networking opportunities.

"If ever there was a time to break down the silos and forge collaborations it is now, with the Enlit Europe Summit harnessing the white heat of expert knowledge, opinion and networking to accelerate the change."

- Nigel Blackaby
Content Director, Enlit Europe

EVOLVE STAGE

On the Evolve Stage, CEOs, policymakers and influencers unravel key conundrums through panel discussions aimed at accelerating the energy transition and driving change and innovation.

INSPIRE STAGE

The Inspire stage is a platform for original thinkers, orators and charismatic energy communicators offering short bursts of inspiration, ideas and imagination.

CONNECT STUDIO

The hard questions will be asked and answered in the Connect Studio with one-on-one interviews and journalist-led roundtable discussions.
