RVmagnetics

RVMAGNETICS SENSOR BUSINESS RELATIONSHIP

our RISK FREE MODEL is based on "pay for what you get" principle SOLUTIONS delivered according to the defined set of milestones Collaboration model is devided to THREE STAGES

stage I.)
----------	---

Proof of Concept
Approximate budget required:
4-5 digit number

stage II.

Customisation Project Approximate budget required:
6 digit number

stage III.

Commercialisation & manufacturing

client	existing product
RVM & client	NDA
RVM & client	customer needs and input, data evaluation
RVM	proof of concept
RVM	sensor technical design and development
RVM & client	sensor embed design, coil positioning, testing
RVM	data output
RVM or client	data transfer
client	prototype testing (hardware and data)
RVM	sensor mass production
client	smart product mass manufacturing / assembly
client	commercialisation (contract or JV)

1-3 months

3-18 months
