YOUR ENLIT ASIA JOURNEY

8 - 10 OCTOBER 2024
MITEC KUALA LUMPUR

www.enlit-asia.com

Welcome **Message**

Welcome to Enlit Asia 2024!

Your journey into the future of energy starts here! To help you make the most of your time, we have prepared a personalised agenda based on the interests you selected during registration – specifically curated to align with your focus on power generation.

We are committed to providing a valuable experience, offering sessions, workshops, and networking opportunities tailored to your areas of interest and expertise in power generation.

Table of **Contents**

Welcome Message	01
Opening Ceremony	02
Knowledge Hubs	03
Workshops	04
The Exhibition	05
Power & Energy Awards	06

OPENING CEREMONY

Outlined below are some of the sessions and speakers that you might want to bookmark and make sure you attend!

Day 1 | 8 October 2024
Location: Level 3, Ballroom 2

Opening Ceremony [Open to all attendees]	
09:00-09:45	Morning networking session & VVIP Tour (By Invitation Only)
09:45-10:00	Pre-ceremony Proceedings MITEC Safety Video, MyCEB Video, Enlit Video, Emcee Official Welcome Remarks, National Anthem, Prayers and Cultural Performance
10:00-10:25	Opening Remarks Portfolio Director, Clarion Events Chairman and CEO, Trilliant Networks Executive Vice President, Mitsubishi Power
10:25-10:45	Ministerial Opening Remarks Deputy Prime Minister of Malaysia & Minister of Energy Transition and Water Transformation, Malaysia
10:45-11:00	Official Opening Ceremony
11:00-12:10	Opening Plenary Featuring: President & Chief Executive Officer, Tenaga Nasional Berhad Group CEO, Sarawak Energy Berhad Managing Director and CEO, Malakoff CEO, Energy Commission Malaysia CEO of Asia, Gas Power, GE Vernova President, Asia Pacific and India, Black & Veatch

Knowledge Hubs

Knowledge Hubs at Enlit Asia are your marketplace to technical deep dives of novel technologies, innovation, and success case studies tackling pressing challenges in the transition to a cleaner, more sustainable future.

These hubs are open stages placed around the exhibition floor, each dedicated to a specific theme. We've picked some here that you might be interested in!

Day 2 | 9 October 2024

Location: Knowledge Hub 1, Level 3, Hall 9

Knowledge Hub 1: The Road to Decarbonised Power Systems

11:20-12:20	Powering a Sustainable Future: TNB's Roadmap to Net Zero 2050 with Cleantech Opportunities Tenaga Nasional Berhad
11:40-12:00	MERALCO's Long-Term Sustainability Strategy Manila Electric Company (MERALCO)
13:20-13:40	Reinventing Power Gen as a Catalyst to Drive Decarbonisation GE Gas Power
14:00-14:20	Bridging the Gap: Strategies for Achieving 100% Renewable Energy Commitments in Malaysian Corporates and Industries Tenaga Nasional Berhad
15:00-15:20	Enabling High Renewable Penetration: Insights from 5-minute Market Settlement in Australia and the Philippines Wärtsilä Energy

Day 2 | 9 October 2024
Location: Knowledge Hub 1, Level 3, Hall 9

Knowledge Hub 1: The Road to Decarbonised Power Systems	
10:20-10:40	Enhancing DER Management through Energy Integration Platform Tenaga Nasional Berhad
10:40-11:00	Planning and Optimal BESS Sizing for Hybrid Renewables Black & Veatch
11:40-12:00	Towards Sustainable Energy Independence: Integrating Solar Power to Reduce Diesel Power Plant Usage in Marore Island PT PLN (Persero)
11:20-11:40	Pulau Tenaga Hijau: Transforming Malaysian Islands with Sustainable Energy Systems and Future-Ready Solutions Tenaga Nasional Berhad
13:00-13:20	Engines as Catalysts of Decarbonisation – “Hybrid Today, Hydrogen Tomorrow” Wärtsilä Energy

Workshops

This year, we have partnered with industry associations and global industry experts to provide several complimentary workshops. Here we think are relevant to you!

Day 2 | 09 October 2024

Location: Knowledge Hub 3, Level 2, Hall 7

A Special Session Co-curated with Tenaga Nasional Berhad

11:40-13:00

Special Session: Securing AI Deployment for Energy Transition and Utilities

Featuring:

- Head of Cyber Threat Intelligence Management, **Tenaga Nasional Berhad**
- Managing Director, **Global Resilience Federation (GRF APAC)**
- Vice President - Global Industrial Cybersecurity, **Black and Veatch**
- Lead - Enterprise Data Governance, **Tenaga Nasional Berhad**

Day 2 | 09 October 2024

Location: Knowledge Hub 1, Level 3, Hall 9

Workshop F

<p>14:15-16:30</p>	<p>Session 1: Nuclear Technology Trends, Regulatory Frameworks and Policies</p> <p>Featuring: Senior Analyst, Energy Commission Malaysia Director, AtkinsRéalis</p> <p>Session 2: Enhancing Public Communication and Awareness in the Nuclear Industry (Hosted by Woman in Nuclear Malaysia (WiNMy))</p> <p>Featuring:</p> <ul style="list-style-type: none"> • President, Woman in Nuclear Malaysia (WiNMy) • Advisor, Woman in Nuclear Malaysia (WiNMy) • Head, Corporate Communications Unit, UKK (Department of Atomic Energy Malaysia, JTA) • Director, Information Management Division, Malaysian Nuclear Agency

Day 2 | 09 October 2024
Location: Knowledge Hub 2, Level 3, Hall 10

<p style="text-align: center;">Workshop D</p>	
<p>11:00-13:00</p>	<p>Intelligent Asset Performance Management with Digital Twin and AI</p> <p>Overview: This workshop is designed to provide participants with digital strategies for achieving Intelligent Asset Performance Management of critical infrastructure assets. It will cover the integration of digital twin technology and artificial intelligence to enhance asset monitoring, reliability, and predictive capabilities, ultimately improving operational efficiency and availability.</p> <p>Featuring:</p> <ul style="list-style-type: none"> • Business Development Director - ASEAN, Cohesive Group • Regional Managing Director – APAC, Cohesive Group • Principal Asset Management Sales Leader, IBM Sustainability Software, APAC

Sponsored by:

Cohesive

Day 3 | 10 October 2024
Location: Knowledge Hub 3, Level 2, Hall 7

Workshop A

10:00-12:30

Enabling Energy Transition: From Digitalisation to Storage and Beyond

Overview: Organised in collaboration with the IEEE Power and Energy Society (PES) Malaysia Chapter, this workshop is designed for power engineering and technical professionals aiming to deepen their knowledge in renewable energy integration, digitalisation, and energy storage. Engage in expert-led presentations and interactive panel discussions to gain actionable insights into the key engineering challenges of the energy transition and collaborate on innovative solutions that will shape the future of sustainable energy in Southeast Asia.

Featuring:

- Professor & Director, Institute of Power Engineering, **Universiti Tenaga Nasional (UNITEN)**
- Senior Professor in the Department of Electrical and Electronics Engineering, **Universiti Tunku Abdul Rahman (UTAR)**
- Director of Institute of Sustainable Energy (ISE), Senior Professor, College of Engineering, **Universiti Tenaga Nasional (UNITEN)**
- Specialist (Power System Protection & Analytics), **IEEE PES**
- Professor and Dean, Institute of Postgraduate Studies, **MARA University of Technology (UiTM)**

Day 3 | 10 October 2024

Location: Knowledge Hub 1, Level 3, Hall 9

Workshop B

Powering Southeast Asia's Energy Transition: The Role of the REC Framework in Cross-Border Collaboration

Session 1: REC Market Assessment in BIMP Countries and Concept of Regional REC Framework

Presentation by: Associate Research Analyst of SRE Dept, **ASEAN Centre for Energy**

Session 2: Exploring Diverse REC Markets in Southeast Asia

Presentations:

- Malaysia's REC Framework: Managing Director, **TNBX Sdn. Bhd Philippines' Renewable Energy Market (PREM)**
- System: Market Development Senior Manager, **Philippine Electricity Market Corporation**
- Thailand's REC Market: Head of Renewable Energy Business Section, **Electricity Generating Authority of Thailand (EGAT)**
- Manager of New Energy Venture, **Sarawak Energy**

Session 3: Building a Unified REC Market in Southeast Asia

Moderator:

Regional Director, ASEAN / Director, Global Partnerships and APAC, **Pacific Clean Energy Partners**

Panelists:

- Director of Energy Transition Division at Department of Energy, **PMO**
- Inspektur Ketenagalistrikan Ahli Madya, Directorate General of Electricity, **Ministry of Energy and Mineral Resources, Indonesia**

10:30-13:30

- Principal Assistant Secretary (Renewable Energy), **Ministry of Energy Transition and Water Transformation (PETRA)**
- Head of Energy Division, **Ministry of Energy and Environmental Sustainability (MEESTy)**
- OIC-Division Chief, National Renewable Energy Board Technical Services Management Division, **Renewable Energy Management Bureau, DOE**
- Deputy Executive Director, **ASEAN Centre for Energy (ACE)**

Organised by:

The Exhibition

The Enlit Asia Exhibition is your platform to see companies demonstrating capabilities and innovations that have the potential to meet ASEAN's current and future power system demands.

Here's a selection of leading exhibitors showcasing new developments in RE, hydrogen, ammonia, nuclear, as well as RE integration, just for you, located on Levels 2&3. It's the perfect chance to explore the latest innovations, connect with industry experts, and discover solutions that can support your work.

Exhibitor	Booth Number
IHI Corporation	P01
Nem Energy	L19
Shanghai Electric Group CO.,Ltd	S01
Energy Catalyst	M11
AtkinsRéalis	AG12
Wirepas	AF19
Total Energies	J07
Sarawak Energy	I09
Wartsila	K07
Daqo Group	R09
Aspentech	L11

AWARDS

Join the Power & Energy Awards Dinner at Enlit Asia 2024!

Be part of an unforgettable evening celebrating the brightest innovations and leaders in the energy sector! The Power & Energy Awards Dinner at Enlit Asia 2024 is the perfect opportunity to network with industry pioneers, honour outstanding achievements, and enjoy a night of entertainment in the heart of Kuala Lumpur.

Join us as we recognise the projects, companies, and individuals shaping the future of energy across the ASEAN region. Enjoy a night of fine dining and inspiration, surrounded by the very people driving energy innovation and sustainability.

Don't miss out! Celebrate excellence and connect with the visionaries transforming the industry.

Book your awards dinner ticket at only US\$500 [here](#) >>
