DATABASE BY SENIORITY

PRINT PUBLICATION

Power Engineering International is a contributor to The Guide by Enlit, an annual publication focused on thought leadership. Content contributions will be 'by invitation only' as we aim to provide an annual barometer of the energy sector and share expert insights into the future.

YOUR MARKETING CAMPAIGN OBJECTIVES

BRAND AWARENESS

Differentiate and Amplify your brand through multiple vehicles and channels. Through our prime positions, be recognised as an active player driving value in the smart energy industry. These tools will support in increasing traffic to your website or other online offerings.

THOUGHT LEADERSHIP

A thought leadership/education campaign authenticates your position as a subject matter expert. Engage in meaningful conversations with industry; inspire others; influence positive change; be recognised as a credible partner.

ENGAGEMENT, COMMUNITY

A social engagement campaign increases your brand's opportunity to engage with a targeted audience and their viral networks via social media platforms.

LEAD GENERATION

A lead generation campaign provides targeted sales leads by actively generating interest from decision makers and prospects in the smart energy community. Grow your database according to your geotargets and industries, by initiating interest in order to achieve Marketing Qualified Leads and Sales Qualified Leads.
