# POWER GENERATION

BIBUS METALS AG was founded in 1979 and became the exclusive distributor for Special Metals Corporation in Switzerland, Austria and Eastern European countries and is one of the biggest stockholders in Europe and Asia for nickel and nickel alloys as well as for titanium. The head office is located in Fehraltorf near Zurich and its logistic center in Moehlin near Basel.

BIBUS METALS Group has large warehouses in Switzerland, Germany, Poland, Hungary, Czech Republic and China. In the following countries, the customers are supported by our own sales organisations: Switzerland, Austria, Germany, France, Italy, Poland, Hungary, Romania, Ukraine, Czech Republic, Great Britain, China and Malaysia (used as hub for ASEAN/Korea).

As a supplier of semi-finished products for aerospace, power generation, chemical, medical and watch industries, quality and service have always been important to us. Where necessary, the companies have been certified to ISO 9001 and EN/AS 9120, and have established various other customer approvals.
