

# **NK** TEMPLES PVT. LTD.®

*Where Technology Leads Innovation*

*An ISO 9001:2015, ISO 14001:2015, ISO 45001:2018 Certified*

***" We are committed to net zero carbon goals upto 2035 by providing solutions that help reduce emissions and enhance energy efficiency."***

## We Are Offering :

- Smart Gas Meter Child Components
- Gas Meter Installation Kit Components
- Smart Energy Meter Child Components
- Compressed Natural Gas Fittings
- Limit Switch Body, Actuators, Ball Valve Parts
- Pneumatics Valves Child Components
- Cable Gland & Cleat

## ABOUT US

**N K Temples Pvt. Ltd.** is an ISO 9001:2015, ISO1 4001:2015, ISO 45001:2018 Certified Company that Comes into Existence after the Grand Success of 53 Years Experienced of Parental Organizations Sanjay Plastics & Industrial Services and Suntech Engineers India. After Creating a Huge Clientele Base in India & Abroad, **NKTPL** Started in 2012 Specializes in Manufacturing of Precision Components for Various Applications.

**NKTPL** is One of the Leading Manufacturers and Exporters of All Types of Precision Components for Smart Gas Meter, Gas Meter Installation Kit Components, CNG Fittings, Smart Energy Meter, Flow Fluid Control Valve, Cable Glands & Cleats Thread Converter Reducers & Adaptors Etc. The Company is Established with a Vision to Provide International Quality Standard Products Serving to Various Industries.

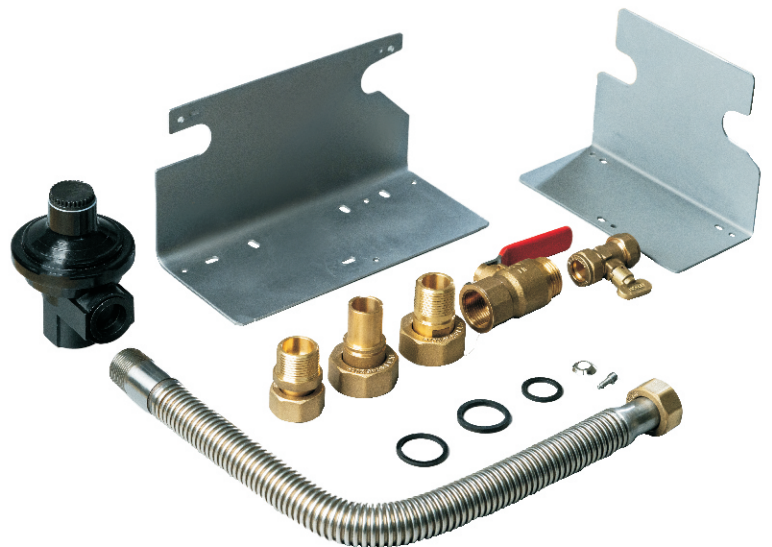

In the New Scenario of Globalization, Industries are Touching New Heights of Developments & Growth, Today Industries Need Machineries with Latest Technology for International Quality Products & Higher Production Rate to Achieve International Market Demands.

Company has Setup Robust Infrastructure, State of the Art Manufacturing Facilities and R&D Under One Roof to Provide World Class Products.

We Present Ourselves as a Part of Industries and Determined to Serve Genuine Quality at Genuine Cost Components to Reduce Production Cost, Operational Cost & Maintenance Cost to Our Prestigious Clients. Our Clients are **Secure Meter Ltd., Apator Metrix, Mahanagar Gas, Adani Total Gas, Think Gas, AG&P Gas, Genus Infrastructure, RPG Raychem, Pietro Fiorentini** Etc.

### GAS METER INSTALLATION KIT COMPONENTS

NK Temples Pvt. Ltd. is Manufacturing Brass Meter Unions, Rubber Washer, Flexible Meter Connector, Domestic Meter Control Valve and Meter Bracket (Plate). We are using BS EN 12165 CW617N, IS 319, CRCA Sheet, Stainless Steel Hose, IS 2062, SAE 1018 or Equivalent Raw Material. Our Component are Certified with BS EN 10380, BS 699-2, GIS V7-3:2014, BS 746 and Supplying with Suitable Rubber Washer & 'O' Rings As Per EN 549 NBR Raw Material. Available Sizes are : 3/4" x 3/4" , 1" x 3/4" , 1" x 28/22 mm, 1" x 22mm, 1" x 1", 1.1/4" x 28 mm, 1.1/4" x 1", 1.1/4" x 1.1/4", 1.1/2" x 1.1/2", 2" x 2" etc.

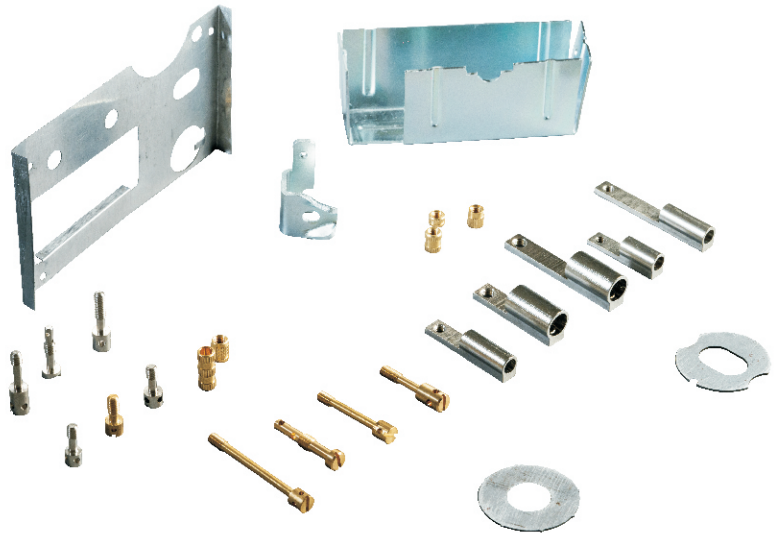

## SMART GAS METER CHILD COMPONENTS

We are Manufacturing Inlet Outlet Bosses using IS-2062, SAE 1018 or Equivalent Raw Material with Zinc-Nickel Electroplated (1000 Hours NSST), Zinc Electroplated (240-300 NSST), Pressure Test Nipple, Pressure Test Screw, Coupling Sleeve, Front Axle Shaft, Back Axle Shaft, Diaphragm Shaft, Stuffing Box, Stuffing Plate, Transmission Axis Etc.

## SMART ENERGY METER CHILD COMPONENTS

We are Manufacturing Optical Washer, Optical Port Washer, Relay Shielding, U-latch, Name Plate Metal, Battery Connector, Ceiling Screw, Brass Insert, CT Terminal Child Parts Using SS 304, SS 316, SS 430, SS 430F, Brass IS 319, Aluminum etc. or Equivalent Raw Material with Zinc, Tin, Nickel, Hard Chrome Electroplated for Residential, Commercial & amp ; Industrial Meter types Single Phase, Three Phase, LTCT, 3P4W, 1P2W etc.

## CABLE GLANDS AND CLEATS REDUCER & ADAPTORS

We are Manufacturing Industrial, Marine and Explosive Atmosphere Thread Conversion Adaptors, Reducers, Stopper Plugs, Breather Plugs and Drain Plugs Comply with the Latest IEC Standards and are Offered with Required Certification. All Products in This Range are Available in a Variety of Materials, Both Metallic and Non-Metallic, and Can Be Supplied in a Combination of Different Thread Forms and Sizes Including Metric, PG, NPT, BSP Etc. Using SS 304, SS 316, Brass IS 319 Etc. or Required Raw Material.
