

28 - 29 May 2026
 La Llotja de Mar, Barcelona

The Art of Innovation Where creativity meets capability

A destination event designed for insurance leaders who want depth, clarity, and real connection

ITC Europe returns to Barcelona's beachfront this May, bringing together senior insurance leaders for two days of bold ideas and strategic collaboration. Alongside the main stage and expo floor, join interactive roundtables, hands-on workshops, Challenge Lab, Gaudi walking tour, and relaxed networking over tapas and drinks. An exclusive environment where Mediterranean energy sparks the conversations shaping the future of insurance.

650+

Industry leaders from across Europe

60+

World-class speakers

3,254

Meetings expected

75%

Senior executives and key decision makers

ITC EUROPE EDGE

The right people in the room. A curated, senior audience of insurance leaders, insurtechs, and investors means more conversations that matter.

THINK LIKE THE FUTURE

Don't just track innovation; understand where it's heading. Explore the technologies, business models, and partnerships that will define the next era of insurance.

MAKE IT REAL

From insight to impact. Designed for meaningful meetings, collaboration, and the kind of dialogue that turns ideas into action.
