“

iGB Executive is an amazing initiative. Being in a more private space during a conference gives the opportunity for valuable meetings and conversations – and the intimate networking dinners make it easy to connect and share insights

Julia Weygand
COO, G.Games

iGB Executive Suite

Experience tranquillity amid the excitement of ICE, iGB Affiliate and iGB LIVE at the iGB Executive Suite, a serene environment where you can escape the crowds on the main show floor. With spacious work areas, bookable meeting tables and all-day food and drink available, the iGB Executive Suite is the perfect place to network and connect with fellow C-leaders.

Benefits:

- Host meetings with guests in a private, comfortable setting
- Network with fellow members in a casual environment
- Bypass coat and luggage queues with exclusive access to the Suite's cloakroom
- Skip the scramble for badges by collecting yours at the iGB Executive welcome reception held the evening before the event

“

Being a member of iGB Executive has enabled me to make powerful connections with people from all parts of the industry, and having access to the iGB Executive Suite has transformed my experience of iGB conferences”

Sue Dawson

Operations Director,
FTD Digital

Exclusive peer gatherings

In addition to our flagship live events, we offer five exclusive experiences throughout the year, providing informal yet premium settings for you to connect with your peers. These gatherings are designed to foster meaningful networking opportunities in a relaxed atmosphere outside of traditional event settings. Whether it's a rooftop soirée or a casual dinner, each occasion offers the perfect backdrop for engaging conversations and relationship-building with fellow industry leaders.

Digital experiences

Engaging with members online allows us to connect and deliver the benefits of iGB Executive direct to your office or home. We are committed to creating specialised content for C-Level leaders in the industry, with the goal of providing an exceptional, year-round service.

Benefits:

- Gain value for your business through tailored meetings and content sessions with speakers and participants that will help solve any particular challenges you are experiencing
- Engage in meaningful and relevant conversations with your C-level peers
- Move beyond passive webinars with interactive, free-flowing discussions that encourage active participation

“

iGB Executive has not only made our participation in this year's iGB LIVE special, but the most successful so far

Thomas Wendt

Director & Co-Founder,
Apparat Gaming Services

Linkups

Linkups allow members with similar interests and preferences to meet like-minded peers. Use these introductions to help build personal and professional connections with your fellow members.

How does it work?

- Members provide us with their goals and preferences
- We crunch the data and connect like-minded individuals
- You enjoy meaningful discussions centred on mutual interests

Benefits

- Gain insights and support from peers
- Build strong connections for future collaboration
- Participate in substantial, focused dialogue

iGB has done a wonderful job with iGB LIVE in Amsterdam. The Executive Suite in particular was a great place to have a pause, conduct meetings and meet new people

Sebastian Paris

COO, bwise Media AG

Bespoke reports

As part of our onboarding process, we delve deep into your requirements to ensure our commissioned reports are laser-focused on addressing your most pressing needs. By understanding your specific interests, challenges and objectives, we tailor our reports to provide you with actionable insights derived from hard data, thorough analysis and industry opinions.

Just released!

- Our inaugural iGB Executive report, Gaming M&A in 2024, produced in association with Ficom Leisure.

These reports are not intended for release to the wider iGB audience, nor are they crafted for commercial gain. They are written with the sole purpose of assisting you in performing your duties more effectively and with greater ease.

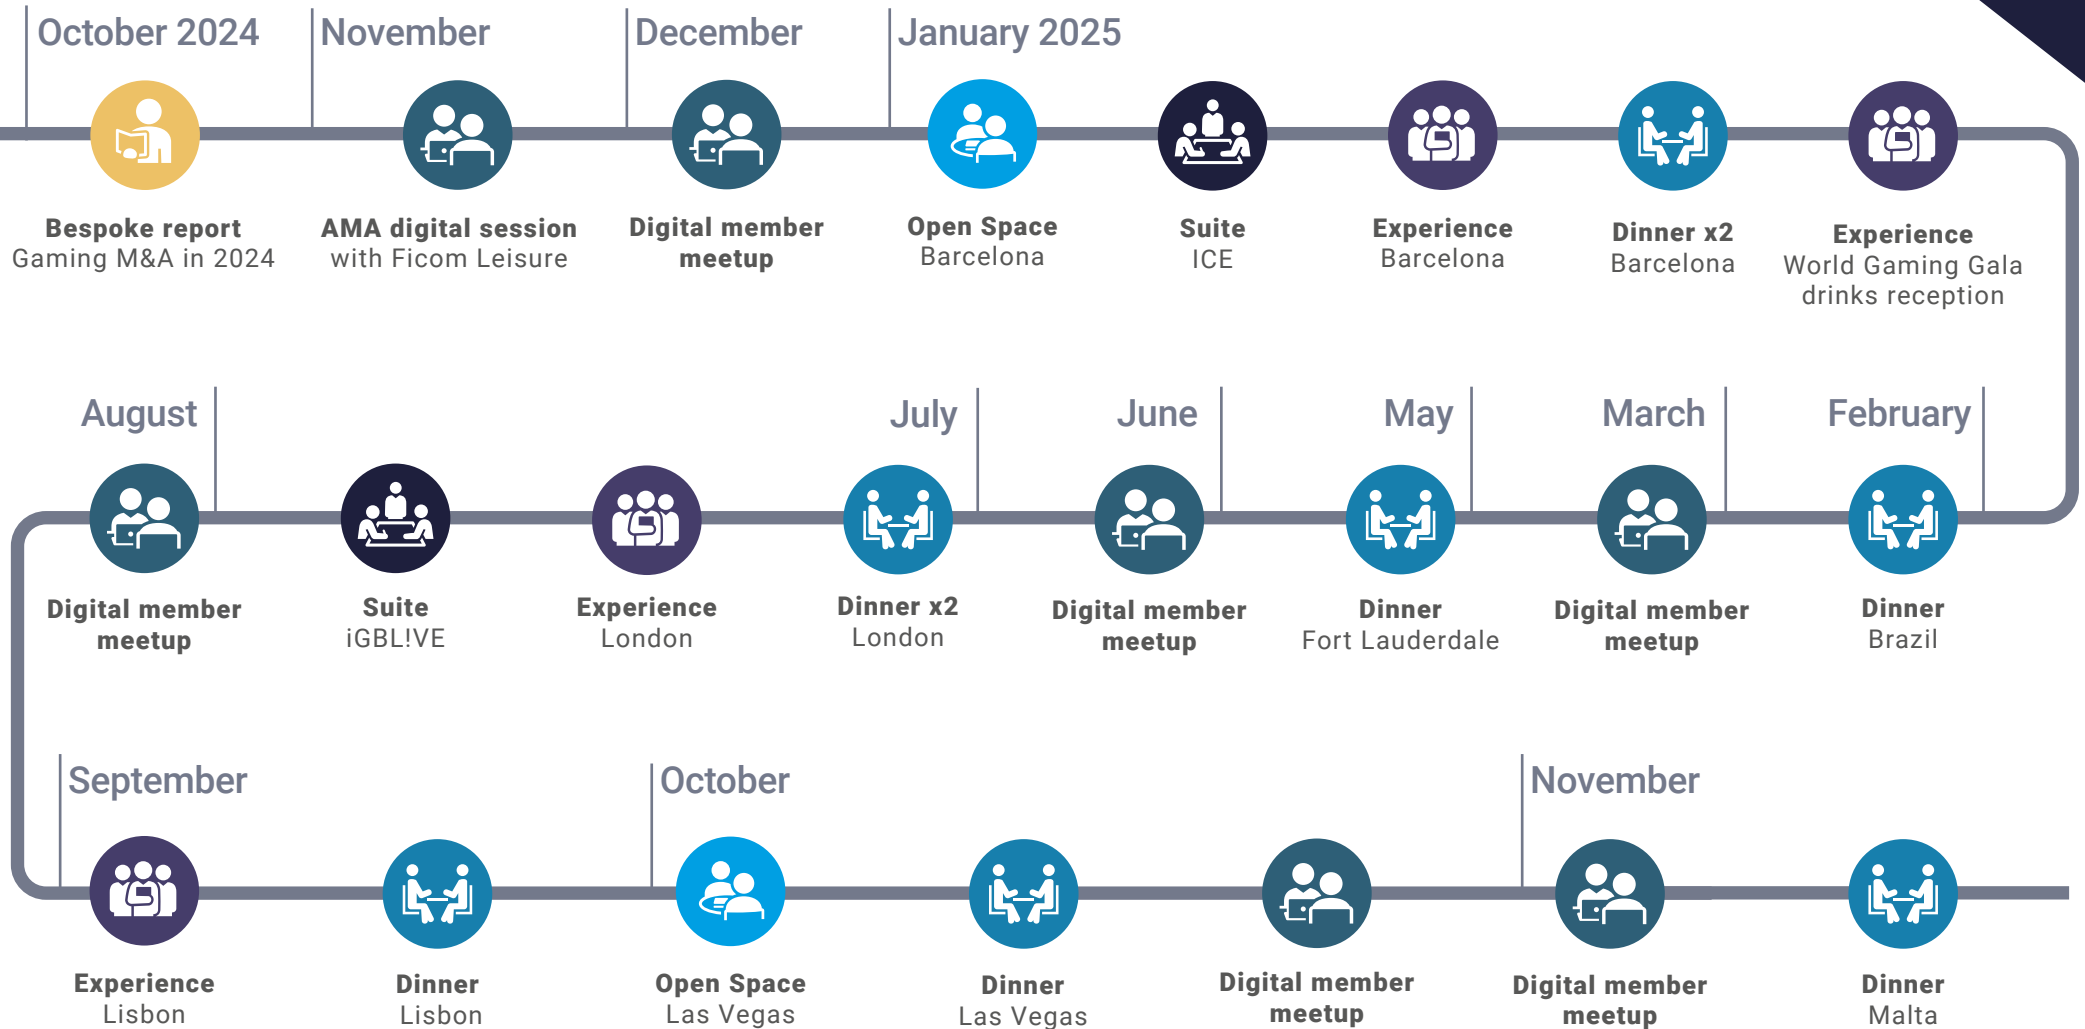

Connecting with fellow iGB Executive members is an invaluable experience – a perfect environment for making new connections and re-engaging with existing ones
