

Unfiltered INNOVATION

Los Angeles | AUGUST 28-30, 2022 | LA CONVENTION CENTER

GET EXPOSURE BEYOND THE EXHIBIT HALL

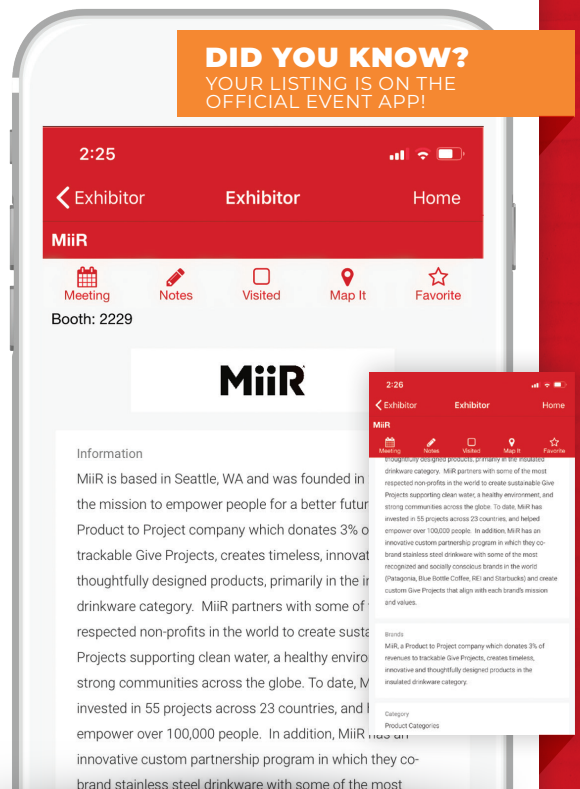

Coffee Fest is proud to provide you with a fresh new take on exhibit floor plan engagement. With the digital age upon us and an ever-increasing demand for visual and hands-on functionality, we've invested in a unique virtual floorplan environment for our attendees to navigate and learn all about your company.

WHAT DOES THIS ENHANCED ATTENDEE EXPERIENCE DO FOR COFFEE FEST EXHIBITORS?

Your company will now have a virtual platform for showcasing its brand, products and services well beyond the Coffee Fest NY exhibit hall, and it will be on-demand for all registered attendees. This enhances your visibility before, during and after exhibit hall hours and even months after the event is over.
