EXPOSURE BEYOND THE EXHIBIT HALL

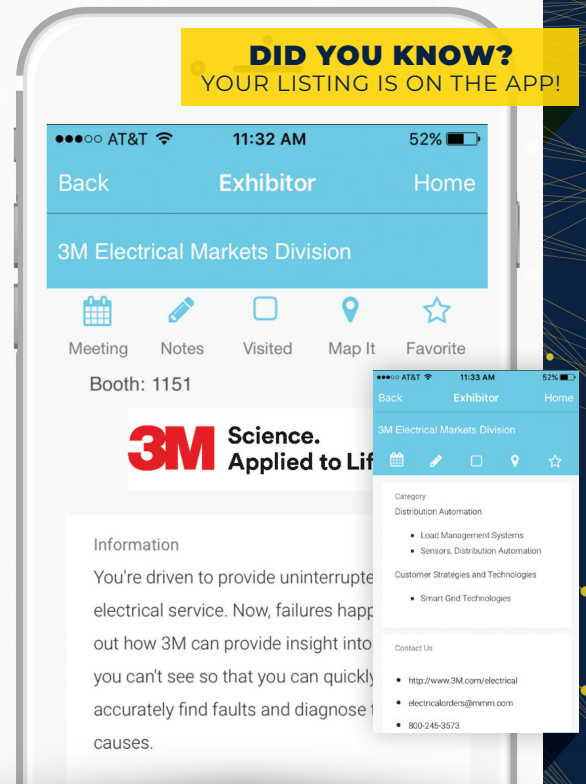

DISTRIBUTECH is proud to provide its exhibitors with a fresh new take on exhibit floor plan interactivity. With the digital age upon us and an ever-increasing demand for visual and hands-on functionality, we've invested in a unique floor plan environment for our attendees to navigate and learn all about your company.

WHAT DOES THIS ENHANCED ATTENDEE EXPERIENCE DO FOR DISTRIBUTECH EXHIBITORS?

Your company will now have a multi-faceted platform for showcasing its brand, products and services well beyond the DISTRIBUTECH exhibit hall, and it will be on-demand for all registered attendees. This enhances your visibility before, during and after the exhibit hall hours.
