On behalf of our team and our partners at the Halloween & Costume Association, we are thrilled to welcome you to the spookiest event of the year – the 2024 Halloween & Party Expo. This is the only event that brings all things Halloween, party, and celebration together under one roof - showcasing products and new trends that you simply can't find anywhere else!

The Halloween & Party Expo continues its tradition of offering you the latest and greatest in Halloween and party. Shop the show floor to find the latest accessories, costumes, makeup, decor, party supplies, and business resources you are looking for. Be sure to visit our new exhibitors and take advantage of show specials only found here in Las Vegas!

The show isn't just about purchasing the latest in costumes and decor; it's about fostering a community. In our Buyers Lounge, you can network with colleagues and grab a free lunch and a drink at happy hour! This is a great chance to recharge and review all that you've seen on the show floor while mingling with other attendees!

As you're walking the floor or attending events, please let us know if our team can do anything to make the show more successful for you and your business. On behalf of the entire team, I want to express my gratitude for your attendance at the Halloween & Party Expo. Your support and enthusiasm make this event possible, and we are committed to providing you with an unforgettable experience. We look forward to celebrating a successful season with you.

Enjoy the show!

MARNI GOLDEN VINCI
Show Director

Welcome back to Las Vegas! On behalf of the Halloween & Costume Association (formerly the Halloween Industry Association), thank you for joining us at the 2024 Halloween & Party Expo in exciting Las Vegas. While we are still navigating the world, post-COVID, we are grateful that we can meet in person again.

After what has been a successful Halloween for many businesses this year, we look to prepare for next year's celebration. We are excited to offer a business-enhancing experience with the most unique and innovative products and networking. And of course, some fun, it is Vegas after all!

On the association front, we have been very successful with our consumer efforts in 2023. As part of the Americans for Free Trade Coalition, HCA has advocated for our members on Section 301 tariffs on imports from China, as well as other issues that arise that impact our members. As a member of the SHOP SAFE coalition, the HCA along with other associations, advocate for our members brand protection and anticounterfeiting efforts. In addition, our partner, Bureau Veritas is our preferred laboratory who offers member discounts on product testing. BV customizes services based on members' needs while assuring quality and safety standards are maintained.

Be sure and visit www.hiaonline.org for more information or see us at the HCA's Annual Membership Meeting on Thursday, January 25, 2024, at 8:30 am in the Nassau Boardroom at the Mirage in Las Vegas.

We greatly appreciate your support of the Expo and industry. Be sure and say hello to our members!

MICHELE BOYLSTEIN
Executive Director
