

1 Initial Log In

Your first step is the login screen, where you'll enter the email address you used to register.

2 Dashboard

Your personalized hub. See your event at a glance and access quick links.

3 Your Profile

In the upper-right corner, you'll access your editable profile, event badge, and other key links.

4 Success Plan

Your personalized success plan, curated from your pre-event onboarding experience. Redefine your goals at any time.

5 Network- Sponsors

Browse and filter sponsors, click their profiles for more in-depth information, or schedule a meeting with them.

6 Network- Attendees

Browse and filter hundreds of other attendees, click their profiles for more information, send connection requests, and book meetings.

7 Markus Concierge

Ask Markus anything, from "Who should I meet today?" to "Summarize my day."

8 Event Agenda

View all sessions and keynotes, click any to see more details, and bookmark them to your personal agenda.

9 Personal Agenda

View your personalized agenda, where you'll see the sessions you've bookmarked and the meetings you've scheduled.

10 Menu

Easily access more quick links, such as the note recorder.

11 Note Recording

Record your meetings so you never forget a single detail.

12 Note Recording Summary

Once you finish recording, you can click any logged meeting to view its summary, transcript, and action items.

Questions?

Reach out to the Markus AI team for support with the app, your profile, or personalized recommendations.

PRO TIP

Set your event goals first — Markus AI uses them to tailor every recommendation, connection, and session suggestion.
