

DISTRIBUTECH

Future Energy Leaders

March 24–27, 2025

Dallas, Texas

Empowering Tomorrow's Innovators

DISTRIBUTECH invites universities to partner with us in the Future Energy Leaders (FEL) Program providing your top Engineering and Computer Science students with an immersive experience. Select students attend the event at no cost, gaining access to cutting-edge sessions and courses that cover the latest trends and innovations in the energy industry. The program offers a unique opportunity for students to network with industry professionals, explore emerging technologies, and enhance their knowledge and skills in the field.

Why Partner with Us?

Exclusive Access for Students

- Complimentary All Access Conference pass (valued at \$1,495).
- Admission to Utility University courses (limited seats available).

Enhance University Branding

- Boost your institution's visibility in the energy sector.
- Align with DISTRIBUTECH's mission to shape the future of energy.

Program Highlights

- **Student Meet-up:** Students network with energy industry leaders to discuss career opportunities and showcase their experience.
- **Reception Party:** Students partake in networking opportunities at the opening night party on Tuesday and the networking event on Wednesday night with industry recruiters and potential employers, featuring remarks from ABB, complimentary food & drinks, and exciting raffle prizes.
- **Student Floor Tour:** Students meet with over 15+ DTECH exhibitors & utilities for career, internship, and mentorship opportunities.
- **Guided Expo Hall Tour:** Students engage in one-on-one meetings with exhibitors, followed by a private lunch sponsored by ABB.
- **Certificate of Completion:** Students can bolster their resume and LinkedIn profile with a certificate that highlights their participation and achievements.
