HELP!

I received the following error, but I know I am registered!

When creating your Planner account, the mobile app is verifying your registration.

If you receive this message, go back and tap “**No**” for the question “**Have you registered already**” (step 3).

We can link your registration after you've created a Planner account.

FDIC2026

We were unable to find a registration account with the provided ID.

The email address you entered couldn't be found. Enter the email you used during registration.
