HYDROVISION
INTERNATIONAL

The logo features the word 'HYDROVISION' in a large, bold, blue sans-serif font, with a stylized water drop shape integrated into the letter 'O'. Below it, the word 'INTERNATIONAL' is written in a smaller, blue, all-caps sans-serif font. The background of the logo area is a faint illustration of a dam with water flowing through its spillways, surrounded by trees and a river.

LINKEDIN / FACEBOOK MARKETING PROMOTION

For optimal engagement on LinkedIn and Facebook, aim to post on weekdays, especially **Tuesday through Thursday**. The best times to post are **mid-morning (around 9-11 AM)** and **early afternoon (around 1-3 PM)** to align with their typical workday schedules. Avoiding early mornings, late evenings, and weekends, as these are lower in engagement.

It's also beneficial to schedule posts consistently and monitor engagement metrics to refine your posting schedule over time. Additionally, consider crafting content that is easy to understand and relevant to the interests and concerns of your audience.

Use the #HYDROVISION hashtag in your captions when posting on social media!

TWITTER MARKETING PROMOTION

The best days and times to post on Twitter would typically be **weekdays** during business hours when they are more likely to be online. Specifically, **mid-morning (around 10-11 AM)** and **early afternoon (around 1-3 PM)** are optimal times to catch their attention. Avoid posting late in the evening or early in the morning, as the audience is not as active on the platform.

Use the #HYDROVISION hashtag in your captions when posting on social media!
