- **Complimentary Material Handling Inclusions for every 50 square feet of booth space receives 250 lbs. of complimentary handling** (i.e. 10x10 is 100 sq. ft. and will receive 500 lbs. of complimentary material handling). Freight **MUST** be delivered within the discount deadline of the advance warehouse and first day of move-in to show site.
 - **Packages are determined by booth size - No overages or substitutions.**
 - If you require extra items, please order separately
 - Opt-out required, log in to decline or the package will be automatically included
 - Any carpet ordered from TEG will be installed over the carpet provided
 - **Electrical Services are not** included with any booth and must be ordered separately
 - **Additional fixtures must be ordered through the Exhibitor Manual Widget**
 - Item availability at show site may be limited
 - Furnishings must not be removed for neighboring booths or aisles
 - An audit will verify that furniture within your exhibit space matches your order
 - Charges apply for any items in your booth without an order on file
- **This is a hand carry only facility.** Two wheeled dollies, wagons, and suitcases are allowed to bring in or out your items, or pay for cart service to bring your items in. The assistance of any motorized device or pallet jack is not permitted.
