

LINEAR GRAPHS - WORKSHEET.

Draw graphs of the following equations on the appropriate grid.

- (A)  $x + y = 5$       (B)  $2x + y = 8$       (C)  $x + 3y = 6$       (D)  $3x + 2y = 12$   
(E)  $y = x - 5$       (F)  $y = x + 3$       (G)  $y = 2x - 4$       (H)  $y = 3x + 6$   
(I)  $x + 3y = -6$       (J)  $x - y = 7$       (K)  $2x - y = 6$       (L)  $x - 2y = 9$
