Proudly Absurd

CATALOGUE

Welcome to the proudly absurd world of **Bewilderbeest**

This is where we tell you that our designs take inspiration from the glorious natural world and blend exceptional humour with a premium quality finish and so on, and so forth.

But that's a load of old guff really!

Have a joke instead:

Two goldfish are in a tank.
One says to the other,
"Do you even know how to drive this thing?"

Notorious Characters

and general nonsense maker.

Maddy | COO (Chief Of Odd)

100% commitment to all things not
involving a paintbrush.

Major Ajax | Junior Assistant

The newest recruit.
Great at chewing things and Taekwondo.
Is scared of cats (thanks to Mustang).

The background of the entire page is a repeating pattern of a stylized bull wearing a suit and tie. The bull is depicted in three different poses: standing upright with hands on hips, leaning back, and leaning forward. Each bull is accompanied by a question mark. The pattern is distributed across the entire page, with some instances in color (purple and blue) and others in black and white.

The Service Station

*"Quite possibly some of the finest quality greeting cards
I have ever come across in my years as a buyer.
The art is magnificent, the humour just enough off-kilter,
but not offensive, and exquisitely drawn.
To top it off is the incredible
quality of the card stock. Five stars is not enough."*
