POM POM GARLANDS

Pom pom garlands are a popular reusable decorative accessory. Each garland has 32 traditionally made super soft acrylic pom poms, alternating 3cm and 4cm in diameter along a 7ft/ 220cm long, waxed cotton string with hanging loops at each end.

The garlands are packaged in clear RPET organza bags with pom poms on the end of the ribbon ties. Ideal for storing and gifting. Mix and match colours for super effects.
